Yr.	Mo.	Day	Description
1976	1	1	<b>Introduction:</b> No matter how long we have been in the hobby, none of us has a total grasp of Amateur Radio in the Salmon Arm - Shuswap region over the past thirty years. It was my hope to write a history of local amateur radio up to July 14, 2007 on the Thirtieth Anniversary of the Shuswap Amateur Radio Club, but there was never enough time, so this spreadsheet is an attempt to provide the first written record of the Shuswap Amateur Radio Club and the Salmon Arm Seniors Amateur Radio Club from 1976 up to 2014. My sources have been the Minutes, Correspondence, and Financial Records of both clubs at my disposal. As well, my personal journal was used for details from 1993 when I was first licensed. I am also indebted to Herb VE7WI, Buck VE7EIL [VE7RC] and Tosh VE7DLA for access to their photo albums. I would appreciate being notified of errors and omissions and would welcome any other information which you could provide. 73 Ron VE7RLE
1976	6	xx	<b>Local 'ham' operators participate in test.</b> [undated newspaper clipping] "Salmon Arm "ham" radio operator Ernest Doe and his brother George Doe from Port Coquitlam participated in a North-American wide exercise to test the effectiveness of emergency communications systemsThe Does used a portable generator, a 39-foot mast which was prefabricated at home and a singe vee antenna which they conducted from high land on the John Bergen farm at Notch HillThey actually operated 17 hours and in that time made 114 contacts.
1976	0	XX	Club Name: Choices for SARC name included Shuswap Amateur Radio Club,
1976	12	15	Shuswap Lake Amateur Radio Club, and Fly Hills Amateur Radio Club. There was some investigation in to the possibility of securing funding from BC's New Horizons Program, but nothing came to fruition in that regard.
			Office Held: Bert Hanna VE7UN was elected president at a meeting chaired by Ken
<u>1976</u> 1977	<u>12</u> 5		Hoshowski VE7BHJ. Senior Citizens' Amateur Radio. Don Capon VE7AMW of this club in greater Vancouver, one of only three amateur groups in BC receiving funding from New Horizons, replied to Marge Hoshowski VE7DML with the requirements for application for funding a minimum of 10 qualified amateurs 55 years of age or older and retired from the work force. The Vancouver station was well equipped on the 19th floor of a seniors' residence at Boundary and McGill. The other two were in Penticton and the Vancouver Island Amateur Repeater Association.
1977	6	25	Aquarius Trailer Floats Ltd. of Calgary and Sicamous. For what appears to be the first Field Day of the club, held at Anstey Arm Provincial Park. Our records contain the agreement of Cuthbert Hanna on behalf of the club for a trailer float from 9:00 a.m. June 25 to 7:00 p.m. June 26 complete with life jackets, fire extinguisher, chairs, porta-pottie, light plant, paddles, ring buoy, ropes and rod holders. There were also private pleasure boats. 13 licenced hams attended, using dipoles for 40 and 80, a 20 m beam and 2m plumber's nightmare. 211 contacts were made. The weather was warm sunny and overcast with no rain. Trailer float rental totalled \$98.
1977	7		<b>Incorporation.</b> <i>Shuswap Amateur Radio Club r</i> egistered as a non-profit society with BC gov't. Registration Number #13, 301. Directors for the club were apportioned geographically: North side of the lake, South side, Salmon Arm, and Sicamous. Also there were two Directorships at Large which were to be held by ladies. Club members did not necessarily have to be licenced amateurs.

		1	Amateur Kaulo Clubs 1976-2014
1977	7		<b>CONSTITUTION.</b> The original objects of the society were as follows: "[a] To promote amateur radio operation in the North Okanagan Shuswap area; [b] To install and operate repeater stations in the North Okanagan Shuswap area; [c] To assist in training for obtaining radio amateur licences; [d] To provide recreation activities for society members." In 1996 three further objects were added at the suggestion of BC Gaming to better reflect the club's increasing interest in provision of support for public safety and assistance to emergency services.
1977	7		<b>CARF: A Challenge to Canadian Radio Amateurs and Their Clubs.</b> This 1977 letter contained a number of topics which sound very familiar even in 2009: 1. Revision of Sub-Allotments 2. Utilization of Higher Bands- lack of use of 220 MHz and above. 3. Putting Experimentation Back in Amateur Radio. 4. Experimenter's Certificate and Licence - needed but how to develop the syllabus and exam? 5. Novice Certificate - reasons why it was recently voted down.6. Upgrading of Amateurs 7. Third Party Communications in National Physical Disasters.
			Field Days: Two field days were held in 1977. The first was at George Dover's
			at Pine Grove Resort and the International Field Day was held up the lake at
1978	1		Anstey Arm using a pontoon deck to hold campers and equipment.
1978	1	29	
			<b>PEP Cards.</b> Ken Hoshowski made application forms available for registering with PEP so
1978	-		that amateurs who assisted with emergency communications would be covered by Workmens' Compensation in case of accident.
1970	1	29	
1978	4	1	VE7RNH REPEATER LICENCE GRANTED. The Shuswap Amateur Radio Club application of March 9, 1978 for a licence to establish and operate an Amateur Experimental station has received favourable consideration. "Authority is hereby granted for the operation of your Amateur Station Repeater in accordance with the regulations and schedule of frequencies determined by your Amateur certificate. The call sign VE7RNH is to be used to identify your station. 146.760 MHz Transmit and 146.160 MHz Receive. A formal licence will follow." Issued by the Department of Communications, Kelowna. Field Day. The second International Field Day for the club was to be land-
1978	5		based, taking place at the QTH of Scotty Hyde in Sicamous. Basic Qualification Course. On this date Eagle River Secondary School received payment of \$5.00 from instructor AI Marr VE7CAL on behalf of the club for stencils and reproduction
1978	5		paper related to the Basic Course held in that school.
1070	5		Mini Hamfest. This was held at George Dover's VE7BZD QTH in Scotch Creek with many in
1978	5 xx		attendance from the Coast, Alberta, and throughout the Okanagan Valley. Office Held: At this AGM there were no takers for the office of president, with Hans
1978	10		Berls VE7BOD accepting the office of Vice-President.
1070			<b>Repeater Antenna.</b> An antenna for the Notch Hill repeater was priced out at
			\$360.54. The club received a cheque for \$360 from the Provincial Emergency
1979	2		Program.
1979	2		Mini-Hamfest. This was planned for May 26-27 at Pinegrove.
			Repeater. The repeater was said to be working better in its new site which it appears was
1979	3		somewhere in the North Broadview area.
1979	4		Silent Key. On this date a memorial service was held for <i>Ed Ginger VE7BYN</i> .
1			<b>Hamfest on May 25-26.</b> Pine Grove Resort. Income was realized from raffles, flea market and registration.
1070	<b>E</b>		
1979	5		
			Mini-Hamfest. This AGM approved a motion to move the annual ham fest
1979 1979 1979	5 5 6	26	

			RECOGNITION: Life Membership. Scott Hyde VE7AIC was granted a Life Membership in
			appreciation of his excellent work performed in conducting ham classes in 1977
1979	7	8	and 1978 under the chairmanship of coordinator Al Marr.
	,	0	
			Repeater relocation. Ken Hoshowski VE7BHJ advised that the repeater had been moved
			into town last spring and would hopefully be operating from a higher site in the
1979	9	9	near future.
1980	3		Office held: Ken VE7BHJ was elected president of SARC.
			<b>Field Day.</b> Held at Sunnybrae Community Hall. Tappen, BC. There was a separate station
			for CW and for SSB. 550 contacts were made.Operators included George Schultis VE7DKK
			who started his first radio shack in 1928. The news article mentions that another field day
			was held that year on the hill above John Bergen's farm at Notch Hill with one transmitter
			and three different antennas for contacts with 330 other stations, working 43 states but only
1980	6	28	four Canadian provinces.
	0	_0	
			Hamfest: Sept. 5-6. Scotch Creek. Income for this event shows \$100 for 4 cabin rentals,
			and \$70 for ten campsites. There was no registration charge. Most income was from the flea
			market at \$103.31, a general raffle at \$96 and men's raffle at \$90.
			Hamfest prize: Heathkit SWR bridge \$99.23. Features: Tosh VE7DLA with Horseshoe
1980	9	6	Contest, and the Bunny Hunt with Lee VE7BPM. Prizes for Furthest Away, etc.
	•	•	<b>Repeater site.</b> Ken VE7BHJ and Don VE7DOV investigated a site on Black
1980	12	14	Road with no better results than the present location in Ken's basement.
			<b>Course Tuition:</b> The club voted to pay the tuition for a Sicamous resident,
			disabled with multiple sclerosis, who was interested in taking ham classes in
1981	3	1	Vernon for which the Kinsmen Club would provide transportation.
			Field Day. Under the chairmanship of Frank Nyl VE7DKG this Field Day was held at the
			4500 foot elevation of Federated Tree Farm Licence #33 eight miles from Sicamous. Using
			the personal call of Jack Blank VE7OK, over 300 contacts were accomplished, despite
1981	6	27	downpour conditions on Saturday challenging operating from tents.
			Field Day. A newsletter article by Herb VE7WI reports that this was held in a field at the
			QTH of Scotty VE7AIC with two stations operating from tents with 389 contacts for a point
			total of 1292. Tom VE7AMM and Warren VE7EHL arrived at dusk to bolster
1981	6		the score considerably over what it would have been without them.
1981	6	ХХ	Field Day which of these two descriptions is accurate? Ron VE7RLE
			Request. President Warren Canney VE7EHL approached the PEP coordinator John Latham
1981	7	11	for assistance in purchasing a \$375 - 5 KW generator for club use.
			SARC Membership. The membership list for this date shows 62 names, 8 of
			whom have no call, and 7of which are U.S. or out-of-province calls. QTHs in-
			clude Angelmont, Canoe, Eagle Bay, Enderby, Falkland, Mara, Kamloops,
			Logan, Lake, Penticton, Salmon Arm, Sicamous, Tappen, Vernon,
1981	7	28	Winfield, and Alberta.
			Hamfest 1981. Holiday Homestead. The Best in the West. Good weather and successful
			financial returns of \$350, the best to date. 73 registrants plus 8 juniors plus 4 commercial
1981	9	11	plus 7 offroad visitors of which 2 were from the U.S. Lawn darts replaced Horshoes.

r			
<u>1981</u> 1981	9 11	<u>20</u> 1	Tucked amongst old bank statements was this most interesting survey from a SARC test site at the Forestry Lookout at an elevation of 6846 feet. 18 members participated at the site, logging a total of 55 contacts with 31 stations in all areas, 21 of them being the stations of SARC members and 10 non-SARC members. Coverage was excellent to the West in the Kamloops area as far as Deadman's Creek, surprisingly good south to Westbank and there were no reports recorded in the East in the Eagle Valley towards Revelstoke, although topographic maps would indicate the possibility of excellent coverage in that area. It was noted that there was a minor reduction in signal reports using 146.52 MHz as compared to 147.33 MHz. The data was forwarded to the former head of Engineering Western Region DOC who is presently the District Manager of the DOC. He suggested that with a solid-state repeater using the existing Sinclair duplexer and colinear 4-element antenna on the assigned frequency of 146.760- that there should be excellent results for the area served using as little as 15 watts output to a maximum of 35 watts, with the least possibility of cross-modulation or interphasing with the four other existing repeaters on the summit, all of which are operating at above 152.00 MHz. <b>Repeater Sites</b> being considered included Queest [solar] and Bastion Mtns.
1981	11	1	country. Costs were predicted at \$125 paid from Ham fest profits. Hans Berls VE7Hans VE7BOD later reported that the transceiver never arrived into the hands of deserving amateur because it was seized during a military crackdown.
1901		I	<b>Repeater Sites:</b> The newsletter states that three sites are being considered: 1. Solsqua Ridge above Old Town Bay at 4100' elevation with fair results, 2. Queest Mt. NW of Malakwa
1982	2	1	at 6840' with excellent results, and 3. Bastion Mt. TV repeater site at 3850' with fair results. The hydro at Bastion would not be available for the club's tube-type equipment. Solid-state equipment is looked forward to. Wind charging equipment is being researched, as it the possibility of having the snowmobile club exchange batteries upon reasonable notice. A Canadian price for solar panels is \$1700 for 30 watts with \$250 regulator but a U.S. source has 35 watts for \$462 CDN and the regulator for \$78 CDN.
			<b>RTTY Activity.</b> In the newsletter of this date, Warren VE7EHL reports that RTTY is
			gaining in popularity . VE7GD and VE7AED are both active on the HF bands using PET Commodore. VE7GD meets Ron Rosmer VE6FV at Hinton on 7.090 MHz @1830 Zulu each Sunday. VE3QV/7 is experimenting with models 28 and 32 but soon going to a TRS80 Model 3. There is RTTY on 146.70MHz simplexand a repeater primarily for RTTY use is
1982	2	1	expected to go into operation from Apex Mt. Experiments some time this summer on the 147 MHz portion of the band to have excellent coverage throughout the Shuswap area.
1982	2		Office held: Herb VE7WI was elected president of the club.
1982	2		<b>Provincial Emergency Program:</b> Local representative John Letham reported on the duties of his office, territory covered and help required. The PEP has a trailer with First Aid and a kitchen. The club suggested communications additions.
1982	6	8	<b>Donation.</b> President Herb VE7WI sent a letter of thanks to Jack Blank VE7OK for donating a 60 watt Canadian Marconi DJ86-5 station to the club.
			<b>Repeater moved.</b> It was reported that the repeater had been moved from Ken and Marge's place up to the Senior High School [Shuswap Junior Secondary School]. The school is on one of the highest locations in town which is still accessible to hydro power. It was the first choice site out of a possible <b>ten sites</b> which were going to be considered in turn. AI VE7CAL and John VE7BOZ had access to the repeater room 24 hours per day. In the event that neither could be reached for a required shut down, a circuit breaker outside of the locked shack could be turned off by a custodian. The school is also a designated PEP relief centre. It was hoped that a second standby repeater donated by Jack VE7OK could be set up on a separate power grid to offset any localized power outages at the main repeater. Special thanks were given to Ken VE7BHJ and Marge VE7DML for housing the repeater for such a
1982	6	13	long time.

1982	6	26	<b>Field Day.</b> Held at the East end of the old air strip near Mabel Lake. The local club contacted 279 stations in six provinces and 31 states. The eleven local hams who particpated were Frank Nyl VE7DKG, Collin Sturrock VE7ASQ, Warren Canney VE7EIL, AI Marr VE7CAL, George Dover VE7BZD, Herb Turner VE7WI, Vass Carroll VE7AVC, George Schultis VE7DKK, Marg Parry VE7EFR, Tom Wrinch VE7VE7AMM, and George Clay VE7RW. Operating Stations were from recreational vehicles.
1982	7	22	<b>Club Bulletin.</b> There had been a first quarterly club bulletin published [last year?] with 55 mimeographed copies, but an ongoing dispute over funding for subsequent issues led to a decision in June to cancel any further publication. However, a second edition undated edition in our records bears the postmark of July 22 although it was apparently written in May.
1982	9	10	<b>Hamfest</b> held at Holiday Homestead Tent and Trailer Park in Sicamous both in 1982 and 1981. The use of the PEP trailer for this event was confirmed in club minutes.For the second year in a row, it was a rainy weekend for which Gary VE7BQC provided a shelter which saved the day. Prizes included a TV, and electronic calculator, and a ship wall plaque made and donated by Herb and Lorna Turner. Net profit was \$460.
1982	9	12	<b>Mini-Hamfest.</b> Slated for the Holiday Homestead Resort and Trailer Park two miles East of Sicamous on Trans Canada No.1. Gary VE7BQC supplied materials and set up the frame for a shelter which was responsible for the success of the event which would otherwise have been "rained out." This included the usual raffles, flea market, supplier displays, auction, draw prizes, and potluck to help raise funds, given that the club at this point did not charge annual dues. Awards were given to the Oldest Ham Licence, Newest Ham Licence, Furthest Away Visitor, etc. There were 94 in attendance.
1983 1983	1		Silent Key: Archie Dean VE7JO. AGM and Office Held. It was reported that a club station VE7SJS is being formed at Shuswap School with three hams on staff. John Hughes VE3QV was elected president, all other positions being uncontestedWarren VE7EHL vice-president, Marg Parry secretary, and treasurer Bob Holmes.
1983	3	10	<b>FM Repeater Group.</b> It was hoped that such a group may take over the financial support of the repeater comprised of some who may use the repeater but not be club members.
1983	3	13	<b>Fee Increase.</b> SARC executive decides that the \$2 Lifetime Memberships which are not constitutional will no longer be in effect and that henceforth dues will be charged annually in the amount of \$5 for "ordinary" memberships and \$3 for "associate" memberships.
1983	3	10	Office held: Warren VE7EHL sent out the fee notice under his signature as the club president.
1983	4		Decoder: Warren VE7EHL sold a decoder to the club for \$65.
1983	5		<b>Failed application</b> . The club was unsuccessful in securing the call VE7JO in memory of a popular club member Archie Dean who became a silent key in January.
1000	5		<b>Resignation:</b> A letter was received from President VE3QV/7 in which he tendered his
1983	6		resignation.
1983	6	5	<b>Repeater Overhaul:</b> Jim Park VE7IW was thanked for overhauling the repeater. <b>Club Post Office Box:</b> The club now has an official mailing address: Post Office Box
1983	6	5	2613 in Salmon Arm which it still has in July 2014 at this time of writing.
1983	6		<b>Airborne Search: Tappen.</b> Ken VE7BHJ searched unsuccessfully by air for a missing person in the Tappen area with the help of Herb VE7WI. As Ken could reach no one on the ground by radio, it was suggested that members leave their 2M sets open on the Salmon Arm frequency in case of emergency.
1983	6	5	Tone decoder: Was purchased for \$65.

			Field Day. Ten operators participated from Sunnybrae. Al Marr VE7CAL was shown in the
			Observer article of 13 July. A total of 604 contacts were made with 35 American states, four
1983	6	25	Canadian provinces and four countries of which Australia was the farthest away.
			Fall Fair Amateur Radio Display: was planned for this year to promote publicity for
1983	7	10	the club.
			Hamfest: this year's venue was the Sunnybrae Community Hall. Participating were the
			following: Warren VE7EHL, Gloria Dean, Vera KA7HMY, Leslie, Marg VE7EFR, Doug
1983	9	10	Parry VE7ARU, Herb VE7WI and Lorna Turner.
			Fee Increase. As of this date SARC executive put into effect that the \$2 Lifetime
			Memberships which are not constitutional will no longer be in effect and that henceforth dues
			will be charged annually in the amount of \$5 for "ordinary" memberships and \$3 for
			"associate" membership. As they are so active in raising money through various activities,
1983	9	30	ladies would be exempt from these membership fees.
1983	10		Basic Qualification. \$130 paid on this date for course training books.
	_		
			Owen Garriot W5LFL, Space Shuttle Columbia. In a newspaper article, Hans VE7Hans
			VE7BOD recounted his attempt to contact the shuttle at 6:30 p.m. local time. He heard
			the call "This is V5LFL in the space-shuttle Columbia calling the West Coast of North
			America." Marianne Berls thought it was a new ham driving around Salmon Arm. Then Owen
			Garriott called again, "CQ, CQ, CQ, West Coast, this is V5LFL in the space shuttle
			Columbia, we are turning the ship around to point the antenna directly to earth and that
			should improve the reception. We are presently 105 miles above earth. We will take calls on
			the other frequencies in 10 seconds." Much to Hans' chagrin, the signals got worse instead
			of better and he was uncertain whether his transmission on his one-watt hand held would
			have a chance of being heard amongst the calls of hams from Los Angeles to Alaska, but it
1983	12	1	was an exciting evening, nonetheless.
			<b>Donation. Generator.</b> Adrian Bouvier is granted associate membership for 1983-1984 in
			appreciation for his donation of a generator to the club. Specifications of the generator:
1983	12	3	Kohler Model 5MH21, 5 kilowatt, 43 amps. Single-phase 60Hz.
			Repeater at the Airport: at this meeting it was reported that the repeater had been moved
			to the airport but had been returned to the high school because propagation was much
1983	12	4	poorer than had been anticipated.
			Office held: at this AGM Doug Parry VE7ARU became president. The club has a
1984	2	12	present membership of 52 licensed and associate members.
			Repeater upgrade: the repeater has now been overhauled to operate at 40 watts
1984	2	12	from its original 15 watts.
			New Horizons: There was debate as to whether a New Horizons grant should be sought, as
1984	2	13	many of the repeater users would not be seniors.
			Donation: SARC donated \$50 to VE7SJS the Shuswap School Radio club in
1984	4	24	appreciation of all of the hours of instruction donated by AI VE7CAL.
			R.C.M.P. does not seem particularly interested in assistance from ham radio clubs
1984	4	24	in general for instance, for Goblin Patrol on Halloween or for emergencies.
			New Horizons: Hans VE7Hans VE7BOD was tasked with approaching New Horizons
1984	5	27	with a view to getting a new repeater. George Schultis VE7DKK would provide advice.
			Computer Logging. George Dover reported that computers had been used by the club for
1984	6	23	the first time for logging Field Day
			Field Day held at Sunnybrae Community Hall. Herb VE7WI mentioned a CAARF article
			suggesting a ground-fault interrupter is necessary for field days where cords tend to be
1984	6	23	strung on the ground.
			Hamfest: \$20 paid this year for rental of the Sunnybrae Community Hall. Prizes included
1984			
	9		a Kodac disc camera 4000 and a Sharp Calculator.
1984 1984 1984	9 10 11	4	a Kodac disc camera 4000 and a Sharp Calculator. Office Held.Doug Parry VE7ARU is president of Shuswap Amateur Radio Club Trustee.VE7RNH station trustee passes from Ken Hoshowski to Doug H. Parry
	6		suggesting a ground-fault interrupter is necessary for field days where cords tend to be strung on the ground. Hamfest: \$20 paid this year for rental of the Sunnybrae Community Hall. Prizes included
-			

			Annateur Raulo Clubs 1976-2014
1984	12	14	Donation. Letter of thanks to Esso Petroleum for donating the Marconi DK66 repeater.
1984	12		Shuswap Amateur Radio Club Holds Wind-Up Dinner. Newspaper clipping from the <i>Salmon Arm Shopper's Guide</i> in our files:Likely 1984 but month and day unstated. "The Shuswap Amateur Radio Club held a wind-up dinner at Mr. Mike's to celebrate the conclusion of a 26-week ham radio courseconsisted of electronic theory, Morse Codereceiving and transmitting,,, and regulations enforced by the federal government. Three in-depth examinations must be passed before a licence may be held. Four out of 21 passed all three and are now qualified operators. Another 12 have passed two and should be licenced in a few weeks The club was formed in 1977 and now has 35 members and 15 associate members. The club was the best in the 2-A category in the B.C.Field Day competition. " Four instructors shown in the photo are Al Marr VE7CAL, Blane Ready, Tosh Miyagawa VE7DLA, and Dwight Morrow VE7BCV. Students shown are Vera Leslie VE7EJV and Terry Leslie VE7EJX. Contact persons were Hans Berls and Collin Sturrock.
1985	2		Office held: Gerry Holoiday VE7BJY is now the president.
1900	2		
1005	4		Acquisition.VE7RNH repeater is Marconi DK66 solid state 115v 30 watts
1985	4		max RF output.
1985	4		<b>P.E.P Conference.</b> Kamloops. Buck VE7EIL reported that hams could be used to co- ordinate communications between incompatible radio systems of different emergency responders.
1985	5	19	<b>Repeater Building.</b> Club records contain a blueprint drawn by B. Edge of a concrete block repeater building four feetsquare with a poured 4-inch reinforced-concrete roof and a 6-inch reinforced-concrete slab floor. Costs are estimated at \$500 using volunteer labour. <b>Relocation.</b> VE7RNH was located at Shuswap School prior to move to the Fly Hills ch. 13
1985	5	27	site The repeater was housed in Room 16 upstairs above the gym in the "shack" of the Shuswap School Amateur Radio Club VE7SJS.
1985	6	12	Sicamous Radio Club. "The consensus was that we do not have sufficient funds to support them but we do encourage their efforts to establish a repeater on Queest Mountain." Fall Fair Amateur Radio Display: Suggestions included Message handling for the public,
1985	7	14	CW station with computer receive, RTTY on HF, 2-metre CW with mail box, Wall map indicating what contacts have been made.
1985	7		<b>Hams Helping Others:</b> 12 tourists were helped by club members giving directions and local information; Steve VE7EJS assisted Forestry in Nakusp by relaying a provisions order ffor a ham-forestry worker at the Saddle Mountain Lookout Tower.
			<b>Emergency Services:</b> Although P.E.P. has indicated over the years that it does do not need our services in an emergency, the consensus was that we would be involved in an emergency even if it were not requested. To that end, a pamphlet entitled <i>What To Do In An Emergency</i> be circulated to all hams in the district and that a list of available equipment and its location be compiledemergency coordinator and alternates, emergency frequencies designated, and hams willing to participate with special skills and equipment, Eg. 4x4, CW
1985	7		proficiency, close access to lakehead, etc.
1985	9		<b>Repeater Operational</b> . Warren Canney VE7EHL had a 2m-10m repeater w/ auto patch operational from his Sorrento QTH.

,	-	1	Amateur Radio Clubs 1976-2014
1985	9	20	Local Amateur Radio Operators Supply Communications to the Earthquake Zone of Mexico City. Quote from a newspaper clipping in our files: "Imagine yourself having an immediate relative in the earthquake stricken area of Mexico Cityall telephone and telex lines to the outside world cut off This was the situation encountered by some 40 B.C. Interior familiesSeveral local amateur radio operatorsDwight Morrow VE7BCU of Chase Peter Pel VE7DLM and Brian Curtis VE7OJ of Kamloops were able to send numerous health and welfare inquiries into and out of the earthquake zone via amateur radio. Teams of radio operators in Mexico City working 24 hours a day were able to contact almost all of the relatives of our local familieswith only 100 operators in this city of 18 million there were waiting lists of several days to pass messagesThe Mexican Consualate in Vancouver was also sending messages through the amateur radio stations at Simon Fraser University VE7SFU and Lester Pearson College VE7LPC in the same manner.
			Repeater Site Report: We have received DOC approval to move the repeater to the Bastion
1985	9	26	Mountain site. Awaiting for written approval from both Forestry and Bastion Satel.
1985	9	26	<b>Sicamous Repeater.</b> They are still waiting for a grant. Their most likely frequency is 147.240.
1903	9	20	AORTA [RTTY repeater]. Location not given. Has been installed. Power about 1
			watt. 1600 amp hour batteries. Two transmit and two receive multi-element antennas.
1985	9	26	146.700 Mhz output.
			Assistance By Hams: "George, Warren, and AI have assisted tourists. Dwight and
1985	9	26	Herb have passed some Mexico earthquake traffic."
1005	-		Search and Rescue: "It was felt that there were not enough members to be useful
1985	9	26	and on call for a lost person on the Larch Hill ski area."
1985	12		<b>Repeater site.</b> VE7RNH repeater co-located with Channel 13 on Fly Hills. Salmon Arm Chamber of Commerce administers the site. Occupancy was free for the club in exchange for non-financial assistance in maintaining their site. There was a power failure from a downed line at Christmas. Steve and Norm went to the site and replaced fuses and lights. A spike supressor has been installed.
1000	12	2	Affiliation. SARC became an affiliate club with CARF the Canadian Amateur Radio
1985	12	2	Federation.
			Acquisition. The club purchased a phone patch from Skywave Radio in Burnaby for
			\$909.50 At least half the cost of the auto patch was provided by individual private do-
1986	1		nations from club members including AI VE7CAL, Steve VE7EJS, and ????
1986	3		Office held: Collin Sturrock VE7ASQ, president, sent out a notice for the AGM.
1986 1986	3		Office held: Gerry Holoiday VE7BJY is now the president. Donation: Auto patch phone rental. The first year was donated by John VE7BOZ.
1300	3	20	Sonation. Auto paten prione rental. The first year was donated by John VL/DOZ.
			Acquisition. The club paid Collin Sturrock \$100 for an Icom 223 Transceiver s/n 05588 to
1986	9		be used as a phone patch radio.
1986	11	13	Silent Key : Ernest Doe at age 74 associated with the club since October 1978.
1987		хх	Larch Hills Loppet Communications. Organized by Lee VE7BPM and AI VE7CAL.
1987	2	27	Auto patch: The auto patch was on 147.33 simplex.
			Field Day Funding: In response to the club's proposal, Alf Ames of the local P.E.P.
			provided \$153 for Field Day expenses and then a further \$95. The club also requested that
1007	-		the Amateur Radio Field Day be declared an official P.E.P. exercise such that equipment
1987	5	26	and personnel are insured.

1987	6	21	<b>Air Affair.</b> Supplying communications for the Salmon Arm Flying Club's annual event were Frank VE7PQ, Norm VE7EKR, John VE7BHX, Buck VE7EIL, and Herb VE7WI. Duties included tower duty where the announcer would talk into the Public Address and 2 metre microphones at the same time. 146.52 simplex was used. This was the <b>first year</b> that hams had helped out at this event.
			<b>Field Day.</b> Was held at the Deep Creek Fire Hall with some operators having only an hour sleep during the 24 hour-period in which 366 contacts were made on SSB and 123 on CW reaching 38 states, 6 Canadian provinces, and Japan, using the Yaesu FT 101E and a Kenwood TS 430S radiating on a three-element beam, two 40-80 dipoles, and a quarter-wave ground plane vertical. Four new hams enjoyed their first Field Day. Mike McMenamin and Collin Sturrock were featured in the newspaper photograph. The Field
1987	6		Day was financed in part by the Provincial Emergency Program under Alf Ames.
1987	9	XX	Hamfest. This year's hamfest was organized by Tosh VE7DLA and Norm VE7EKR.
1988 1988	1	22	<ul> <li>Donation: P.E.P. The club has received from P.E.P. two Motorola VHF rigs and two UHF GE 440 MHz rigs, the use of these rigs to be decided at a later date after the Sicamous group [VE7EIL, VE7UN, VE7BKR] decide what to do.</li> <li>Office held: AI VE7CAL is the president of SARC.</li> <li>Silent Key: Ray McFarlane VE7BCV, aged 62, first associated with the club in</li> </ul>
1988	6		April 1977.
1988	6		Field Day. Income \$261.74 Expense \$61.00
1988	9	30	Hamfest. Income \$356.45 Expense \$262.99
1989	1	~~~	Larch Hills Loppet Communications. 10 amateurs put in 58 hours excluding travel time. 5/8 whips proved useful for getting signals up and down the hill. A station should be at the parking lot with the paramedics. A phone patch could be set up separate from the other system. If a control station is used, it should be located as far as possible from the P.A. system.
-		XX 27	
1989	2	21	<sup>7</sup> Office Held: AI VE7CAL is the president of SARC. Repeater Crystals for 146.760 and 146.100 expense for these from West Crystal
1989	3		Company Ltd. 1020 Kent Road, Kelowna, \$37.20 total with FST and PST.
1989	6	30	Field Day. Financial report indicates that there was no Field Day held.
1989	9	30	Hamfest. Financial report indicates that there was no Hamfest held.
			Donation: SARC donated \$50 the the Salmon Arm TV Society to help keep the
1989	11		outlets on the air.
1989	12	10	Silent Key: George Francis Doe VE7GD a founding member of SARC.
			<b>INCORPORATION:</b> <i>Salmon Arm Seniors Amateur Radio Club</i> is formed as a registered non-profit society and received a substantial start-up grant of \$7537 for equipment under the New Horizons government initiative for seniors groups. The Certificate of Incorporation S-25570 was issued. The money was used to purchase a Motorola MSR 200 repeater system with a Sinclair Model 224 antenna. The repeater VE7RSA was granted the frequency 147.020 with an uncharacteristic -600 Khz offset. The original site was on Bastion Mountain where the repeater was co-located with the Channel 22 TV transmitter sponsored by the Salmon Arm & District Chamber of Commerce. The club paid no fees for the site or for electric power in exchange for stipulated chores. The club also
			provided free labour for constructing an addition to the building, in-
1989	12		cluding pouring the pad and laying concrete blocks.
1989	12		SARC 1989 repeater expenses: Repeater \$109.35 Auto patch \$104.40-phone lines.
1990	2	12	Silent Key: Hal Creber VE7BKR, active with the club since March 1979 CLUB DISBANDED. Moved, seconded and carried that SARC be disbanded. Obviously
1990	2	21	this motion was not followed through and we are grateful for it.
1991	2		Silent Key: Jim Pringle VE7BIM. Active with the club since 1978.
1991	2	25	<b>Conditions Stipulated.</b> Letter from Chamber of Commerce outlining conditions for the continued colocation of the repeater in the Channel 13 shack, including permission from Chamber TV committee to enter the building and to request the key from the Chamber for each visit.

				Amateur Kadio Clubs 1976-2014
				Field Day. Photographs suggest a site somewhere in the area of Bastion Mt. Operators
				included Herb VE7WI, VE7GRE, VE7EJE, Warren VE7EHL, VE7DD, AI VE7CAL, Buck
1991		3)	XX	VE7EIL, VE7LHR.
				Concern. Norm Dondaneau submitted a letter of concern that a good portion of club
				membership funds were used to fund a Christmas party for members for which no charge
1991	ХХ	)	XX	was made for attendance.
				REPEATER VE7RSA. An RF filter was purchased for a total cost of \$361 to solve
1992		3	17	interference problems at the Bastion Mountain site.
				Basic Qualification Course. Salmon Arm Senior High School [now
				known as the Jackson campus.] October 29, 1992 March 4, 1993, each
				Thursday night over 14-16 weeks. Hosted and Instructed by the Salmon Arm Seniors
				Amateur Radio Club.
				Instructors: Maurice Landers VE7BZL, Hans Berls VE7BOD, Ernie Neustaeter VE7AOH,
1992	10		20	Tosh VE7DLA. New Hams: Harvey VE7PRE, Kelly VE7AVZ, James VE7AWI, Ron VE7RLE, Phil VE7WRI, and others not listed.
1992	11	J	28	CLUB REACTIVATED: SARC held an AGM electing a new executive as follows:
				President
				Warren Canney VE7EHL, Vice-President Fred Norum VE7FTN, Secretary Karen Krick
				VE7DOK, and Treasurer Ron Essex VE7RLE. Directors included Peter Rizzi VE7RZZ, Mike
				Kennedy VE7LOG, Melissa Krick VE7PYL, John Douglas VE7BQI, and John Richard
				VE7ASC. A membership meeting was called at the senior high for April 19th. Al VE7CAL
				and Buck VE7EIL are credited with keeping the club alive during this dormant period 1989-
				1993 by maintaining records and sending required documents and fees in to Victoria to
1993		4	P	ensure continued registration as a non-profit society.
1994		2		Office Held: VE7LOG is elected president of the Shuswap Amateur Radio Club
1001		-		<b>Centenoka Mall.</b> Seniors ARC set up an amateur radio demonstration of HF with
1994		3	5	antennas on the roof feeding coaxial cable into the transceiver.
		-	-	
				Joint Club Call Sign: VE7RAW was secured with Phil Baker VE7BPH as trustee. This
				call has been used for Field Day, RAC contests, and so forth rather than the call of the
1994	ļ	5	10	repeaters maintained by each club.
				<b>REPEATER VE7RSA.</b> A cheque for \$123 was made out to cover miscellaneous materials
				cost related to the relocation of the VE7RSA repeater from the Bastion Mountain site to
1994		6		the Rotary Sky View site in the Fly Hills.
1994	(	6	25	Field Day. Sunnybrae Hall is rented for Field Day.
				Request. Letter to Federated Coop requesting possible co-location of the VE7RNH re peater
				from its present location at a private residence [Mrs. Kennedy] near the bowling alley to the
1994		3		Federated repeater site.
1994	8	3	6	Silver Star Hamfest. August 6-7.
				<b>REPEATER VE7RSA.</b> A service call to the repeater revealed bad losses across the
				duplexer which was retuned along with other tests. The labour costs for the service call
				were slightly more than offset by a credit for the return of a used notch filter [Sinclair Model
				FQ20207*3] to Denbil. This credit was a contentious issue among some of the club
1994		9	7	members.
				Acquisition. VE7RLE brings his 33-ft.tower home -purchased from Geo.
1994		9	14	Schultis VE7DKK
				Relocation. VE7RSA, the Seniors' A.R.C. repeater at the request of the
				Chamber of Commerce from the Bastion site upon the advice of Mountain View
				Electric that power strength to the site would be improved by reducing the
				number of repeaters. The repeater was moved to the Skyview Lookout area in
				the Fly Hills where it shared a building with the Channel 13 TV transmitter.
				Again, the seniors' amateur radio group supplied free labour to replace the
				drafty wooden repeater shack with a sturdy cement block building set on a concrete pad. The blocks were laid by Hans VE7BOD.
1994			XX	

			Amateur Radio Clubs 1976-2014
			Field Day. Venue is the Ski Lodge in Larch Hills. The chalet was used for one station
1995	6		and the trailer of Bruce VE7IUQ for the second station.
			Public Service. Hams provide communications services at the 11th annual
1995	6		Air Affair.
			Fly Hills Repeater. VE7RNH. This meeting discussed details of the manpower and
1995	7	11	materials required to move the repeater to its new location on Granite Peak on July 22.
			Donation. The Shuswap Amateur Radio Club received a cheque for \$825.52 which was 1/6
			of the funds held by the Okanagan Valley Ham-fair Society at its dissolution in accordance
1995	8	3	with its Bylaws.
			VE7RNH Repeater Door Lock. Bruce VE7IUQ had the know-how to build a protective bar
1995	8	8	on the steel door to make it almost impossible to use a bar to pry off the padlock.
			Repeater Batteries. VE7RNH was now using ex-BC Tel batteries [six 2-volts cells]
1005			purchased from the amateur radio club in Hinton and brought to Salmon Arm by SARC club
1995	9	12	members.
			VE7DNU Werk Derby This late in the second visit service and A Sinch as an the second in the
			VE7RNH Work Party. This late-in-the-season visit saw snow 4-6 inches on the summit with
			2 inches of
			water on the roof. Panels were set for winter, new power leads down to the shack and an
1005	10		insulated hardboard styrofoam battery box fabricated. Work done by Al Bangay
1995	10	14	VE7???, Buck VE7EIL, Mike VE7LOG, Doug VE7DNG, Ron VE7RLE and Vic VE7VAB. Casino Funds: SARC received almost \$8000 for several eveningsDecember 10-12 from
			•
			1800 hrs 0200 hrs.assisting at the casino, in Vernon. This was the club's first casino
1995	12		venture, requiring a training course for several club members for which the club funded the
1990	12		course tuition.  Provincial Emergency Program: Dick Russell VE7OV our coordinator with P.E.P.
			announced that the government had accepted a draft report to issue a \$1300 grant towards
1995	12		equipment and antennas, etc.
1990	12	19	VE7RNH. Antenna was compromised by the weather. It was reported by snowmobilers that
			winter icing conditions had brought the top portion of the VHF antenna down and bent the
1996	1		mast.
1330	1		Forestry Tent. SARC agreed to purchase our 10-man tent from Peter VE7RZZ for use at
1996	1		Field Day or in emergency situations.
1000		5	<b>Donation:</b> Bert Hanna VE7UN donated an Icom 735 HF transceiver to the Salmon Arm
			Seniors Amateur Radio club. It has been used for events and for a temporary replacement
1996	1	14	radio for club members whose rigs are being repaired.
1996	2		<b>Office held:</b> Buck Rogers VE7EIL becomes the president of the SARC.
			<b>Office held:</b> In the absence of a duly-elected Secretary, Treasurer Ron Essex kept
			the club minutes until the 1997 AGM when he became Secretary and Al Marr was elected
1996	2		Treasurer.
			Lifetime Memberships: These were awarded for the first time in the history
			of the Salmon Arm Seniors' Amateur Radio Club. Recipients of this award at
			the Annual General Meeting were Bert and Trudy Hanna and also Tosh and
1996	3	10	Lillian Miyagwa, both couples being awarded framed certificates.
			Search and Rescue: SARC has signed up to help the Shuswap Volunteer Search
1996	4	9	and Rescue on their winter searches.
			<b>CONSTITUTION.</b> On this date SARC added three ojectives to its constitution, as follows:" [e] To provide upon request voluntary radio communication service to the public in emergencies, disastersm and such planned events as races, parades, and exhibitions requiring assistance for management and safety; [f] To work with the Provincial Emergency Program to provide such training, manpower, and resources, as are available, to improve the preparedness of the community for unseen calamitious cirumstances; and [g] To assist upon request the radio amateurs in the Shuswap Volunteer Search and Rescue organization with
1000		10	access to the club's facilities and expertise."
1996	4	10	At this time a Dissolution Clause was also added.

· · · · · ·			Amateur Radio Clubs 1976-2014
			9600 Baud Packet. Was introduced by Phil Baker VE7BPH at the Program of this meeting
			and later became a reality when SARC purchased two TNC's to bring the service in from
1996	5	14	Pritchard where it had been brought by the Kamloops club.
			SARC Web Page. Our first venture was a web page created by Randy Tyerman VE7TNR as
			a project in his computer class at Shuswap Junior Secondary. Randy requested an updated
1996	5	14	club membership list.
			Beat the Train Team Triathlon: Bob VE7RJA, Ron VE7RLE, Robin VE7SRH, Harry
1996	6	23	VE7HES, Rudy VE7KCW and Gail VE7ARO.
			Field Day was held on the grounds of Haney Heritage Park. Bruce Lamb 'VE7IUQ felt that
			the event was quite successful, but he prefers the Larch Hills site and will step down as
1996	6	хх	coordinator next year.
			Security. Shuswap Amateur Radio Club provides security for the Okanagan 4-H Stock
			Show-Horse Division over the period July 8-12, 1996. The schedule of volunteers included
			Dick VE7OV, Harry VE7HES, Mike VE7LOG, Bruce VE7IUQ, Phil VE7BPH, Ron VE7RLE,
			Hans VE7BOD, Vic VE7VAB, Doug VE7DNG, AI VE7CAL, Rudy VE7KCW and Buck
			VE7EIL. The honorarium for this activity [which did not require the use of amateur radio] was
			used in part to purchase the TNCs for the 9600 baud packet radio link from Pritchard into
1996	7	8	Salmon Arm by way of Sorrento and Tappen.
	•		Low-earth orbit. Shuswap Amateur Radio Club goes on written record as being in full
			support of the Radio Amateurs of Canada to keep the U.S. low-earth orbit satellite industry
1996	8	21	from sharing any portion of the 2 metre band.
	5	<u> </u>	<b>VE7RNH Work Party.</b> Work included creating a plywood base immersed in tar for the
			antenna support structure. The broken VHF antenna had been straightened and sleeved to
1996	9	21	support the top sections.
		<u> </u>	VE7RSA Repeater Repair in the Fly Hills. A faulty connector at the antenna end was
1996	10	2	replaced and waterproofed along with other tests for a service call total of \$272.
1000	10		
			Monday Night VHF net. Vic VE7VAB secured permission to run a Monday evening net
			on 146.760 to permit new hams in the congregation of the Church of Latter Day Saints to
1996	10	F	become familiar with their radios.
			Notable Departures. The club said its good-byes to Dick Russell VE7OV who left us
			for the coast and to Marco Shehovac VE7KEZ who left us for Golden where he later became
1996	10	5	staff sergeant in charge of the local RCMP detachment.
			Club Jackets. The Seniors Amateur Radio Club ordered 20 red nylon windbreakers to wear
1996	10	12	with club crest at public service events. SARC added to the order with 10 jackets.
			Dick VE7OV and Maureen Russell. A farewell suit-and-tie dinner was held for Dick and
			Maureen who were leaving to return to Vancouver Island. 31 attended to present an
			L'Originals framed photograph of Salmon Arm in recognition of their contributions as
1996	10	20	members of the Salmon Arm Seniors ARC.
			<b>Donation.</b> SARC donated \$50 to the CNIB Amateur Radio Program. The Salmon Arm
			Seniors Amateur Radio Club on its part donates annually one dollar for each registration at
1996	11	12	the Shuswap Mini-Hamfest.
1000		12	<b>VE7RNH Fly Hills.</b> At this time the repeater has only one 75-watt solar panel in operation,
1997	1	14	adding a second and then a third in later years.
			PEP: Mr. Alf Ames, CSRD Representative for the Shuswap Emergency Preparedness
			<b>Program</b> was thanked by the club for forwarding literature about the program. He had been
			sent a list of members in both of the Salmon Arm clubs and some details of requirements
			and approximate costs of an amateur VHF base station to assist with emergency
1997	1	18	preparedness.
1331	1	10	<b>Reino Keski-Salmi Loppet :</b> Harry VE7HES, Don VE7SVM, Al VE7FGA, Al Bangay, Tim,
			son-in-law of VE7AOH, Buck VE7EIL, Ron VE7RLE doing communications for the 384
			entrants in this year's event where a nationally-rated skier broke the course record for the
1997	1	10	nominal 36k distance in about one hour 41 minutes.
1997	1	IC	וויווווענפז.
			Offices Held. Phil Baker becomes president of SARC, ably assisted by Vice-President
1997	2	4.4	Gail VE7ARO.
199/	2	11	

		-	Alliateur Kaulo Clubs 19/6-2014
1997	3	18	<b>Bank Transfer:</b> On this date the Salmon Arm Seniors Amateur Radio Club transferred its club account from the Bank of Montreal to the Salmon Arm Savings and Credit Union.
1997	4	Ę	<ul> <li>Second Casino Event. It was reported that the casino grossed about \$5000 on each of the two nights that the trained SARC members worked. The club hopes to realize about \$2000 per night. The casino now has a pooling procedure whereby each club receives a pro-rata portion of the pooled monthly proceeds, depending upon how many nights during the month each club works.</li> <li>Request. Shuswap Amateur Radio Club informs Mr. Alf Ames, CSRD Representative of the Shuswap Emergency Preparedness Program, that club members would be interested in assisting with communications in any mock disaster such as the one recently conducted in Klahanie Park.</li> </ul>
1997	6	28	<b>Field Day. Haney Heritage Park.</b> Gail VE7ARO, who was the organizer and coordinator, Phil VE7BPH, Troy VE7SOK, Bruce VE7IUQ, Ken VE7KJP,Doug VE7DNG, Jack VE7YTO, Vic VE7VAB, AI VE7CAL, AI VE7BOY, Mike VE7LOG, Harry VE7HES, Roy VE7EHX, Tom VE7AMM, Ron VE7RLE. Troy made his first contacts within 5 minutes and brought his parents to the park to see how his new hobby operated. Doug was the lone operator in the early morning, having stayed over in his RVA total of 15 operators made just under 200 contacts, about 50 being on CW.
			<b>VE7RNH Work Party.</b> The VHF antenna which had suffered significant winter damage for
1997	7	15	the seond year in a row has again been repaired. Power output on the old radio has been increased from 2.5 watts up to 20 watts. The Daniels radio will run at 8 watts.
1997	7	xx	was thinking of selling its tentOldest ticket of active members in the club Phil VE7BPH since 1969Youngest ticket Troy VE7SOK 1997. Most prolific Buck VE7EIL with 17,819 contacts since 1980repeater batteries have been purchased from the Hinton ARCred nylon club jackets for sale \$27.31, club crests \$14, RAC ERS crests \$5Repeater VE7RNH is having intermod problems from pagers on Granite Peak Randy VE7TNR and Andrew VE7NDI have just graduated from grade 12, having received their calls while still at Shuswap Junior High Daniels VHF repeater radios had just been received when the newsletter was printed and are being tested The repeater has yet to have a charge controller installedSpecial Event Stations VA7F for the Centennial of the Fall Fair is still being planned for September 12, 13, 14.
			SPECIAL EVENT STATION. VA7F. Commemorating the Centennial of the Salmon Arm Fall Fair. This was our first Special-Event Station. The VA7F call was the first three-letter call issued in Canada. The 3 day-event Sept. 12-14 was operated from a trailer borrowed from Terry Greenhough [now VA7TSG] Contacts were made from across North America with a specially-designed 8-1/2x11 certificate available as a QSL card. This striking certificate was designed in conjunction with Phil Wright of the Fall Fair Association and Canadian Photoscene. Scheduled operators included Vic VE7VAB, Doug VE7DNG, Phil VE7BPH, Herb VE7WI, Ken VE7KJP, Gail VE7ARO, Don VE7CGR, Ernie VE7AOH, Robin VE7SRH, Hans VE7BOD, Bill VE7LX [silent key in 2008], Bruce VE7IUQ, Harry VE7HES, AI VE7CAL, Harvey VE7PRE, Rudy VE7KCW, Ken VE7FP, Warren VE7EHL [now VA3UN] Buck VE7EIL and Troy VE7SOK, the youngest of
1997	9	12	us all. VE7RLE was at a high-school reunion.
1997	11	1-	Generator Rescind. As the heavy generator which he donated to the club years ago is no longer being used, Adrian VE7ANB asked that it be returned to him for modification for his own personal use. Provincial Emergency Program: Both clubs were asked to submit names to
1997	xx	xx	coordinator Alf Ames for inclusion in his A.R.E.S. binder of resources.

1998	4	6	<b>Potential Frequency Conflict.</b> Shuswap Amateur Radio Club expresses its concern to the editor of <i>The Canadian Amateur</i> that WaveRider Communications Inc. operating in Salmon Arm is planning to use frequencies 902-928 MHz in their first stages of development of a commercial wireless internet service which may cause interference with amateur radio.
1998	4		Offices Held. At this AGM, delayed a month from the usual, Gail VE7ARO was elected President with Bruce VE7IUQ holding the office of Vice-President. VE7RNH Tenancy. Mike VE7LOG reported that SARC's co-tenancy of the former microwave building with the Shuswap Snowblazers has been approved and that a site
1998	4	11	licence will be forthcoming with a total annual rental of \$26 to be shared equally by the two clubs. <b>Public Service:</b> <u>First annual Easter Bunny Parade:</u> Ron VE7RLE, Harry VE7
1998	4	11	HES, Troy VE7SOK and Phil VE7WRI.
1998 1998 1998	4 6 7	XX	Satellite Receiver. Kees Kaper VE6KKZ a consulting engineer of Wave RiderCommunications of Salmon Arm [and later, Calgary] gave a demonstration of a smallsatellite receiver made from a light fixture. A more detailed presentation was made to theclub on September 8th.Kees was a pioneer in this technology years ago in Europe. SARCwas concerned that the local experiments of Wave Rider at this time in wireless technologymight interfere with amateur radio communications and wrote to RAC expressing thisconcern.Field Day at 2511 Skimiken Road in Tappen Kennedy FarmSecurity. Shuswap Amateur Radio Club provides security for the Okanagan 4-H StockShow -Horse Division- over the period July 6-10, 1998
1998	7	20	Special Communications Meeting. This special meeting, taking place of the regular SARC July meeting, was chaired by <u>Gordon Pelletier, Emergency Co-ordinator</u> . In attendance were Harvey Prevost VE7PRE, deputy coordinator; Rick Menzies of Emergency Social Services; Geoff Power of the CSRD; John Lahaie; Dave Whyte; Roger Szalanski VE7BQF-Municipal Amateur Radio Co-ordinator-Grindrod; and Rod Salem, PEP Regional Manager from Kamloops, along with 13 SARC members. Rod Salem gave a talk on Packet Radio and the perceived value of amateur radio in emergency situations.Phil Baker VE7BPH gave a packet demonstration using a PEP computer, and other components supplied by club members. At this meeting SARC agreed to Gordon Pelletier's request to assist with the Emergency Program when called upon.
1998	8	3	periods of 8 - 16 hours per dayand provided communications to deliver Evacuation Orders along with local BC volunteer Search and Rescue groups During one 3-1/2 hour period in these 16 days, amateur radio was the <b>only</b> intact communications link between the Salmon Arm Emergency Operations Centre [Number 3 Salmon Arm Fire Hall] and the Kamloops PREOC. Both local club repeaters were also used by the Shuswap Volunteer Search and Rescue[see the next entry below]. An amateur VHF station had been set up in the upstairs portion of the fire hall to maintain communication with the EOC in Vernon and the PREOC.
1998	8	18	VE7RNH Repeater Update. ** The new Daniels low-draw UHF and VHF repeaters and controller have now been installed. The UHF link to Kamloops was shut off by Barry during use of the repeater during the fire by the Shuswap Volunteer Search and Rescue which was having propagation trouble with its simplex frequency. The VE7RSA Repeater 147.020- of the Salmon Arm Seniors Amateur Radio Club was also used by the SAR group.
1998	10	16	<b>Personal and Family Emergency Response Conference.</b> At this event held in the Salmon Arm Recreation Centre, SARC set up a demonstration VHF radio station. This well-attended 'conference' was the equivalent of an emergency Home Show with a great number of suppliers of emergency and home-safety related equipment in attendance.

				Amateur Radio Clubs 1976-2014
				Presentation on Emergency Services. At the regular SARC monthly meeting of this date,
				Dodie Lindley VE7DLT, the Vernon ESS Director and her husband Bob VE7BSL, Deputy
				Emergency Co-ordinator of their area, presented a detailed look at ARES [Amateur Radio
				Emergency Services] activity in the Vernon area over the previous 10 years. Their talk
				included such topics as: Municipal Amateur-Radio Coordinator [MAC] and Deputy [DMAC],
				call-out lists, ARES weekly nets in Vernon, Radio-Telephone- Operator's Restricted
				Certificate, Message-Handling course, tabletop and simulated exercises, the ARES-ESS
1998	11		10	connection, the PEP web site, and packet radio.
1998				Public Service: Santa Claus parade in downtown Salmon Arm.
1000				<b>Repeater Destroyed.</b> The VE7RSA repeater sustained severe damage in a
				November 1998 lightning storm requiring substantial repairs and rebuilding of
1998	11	xx		circuit boards, the cost of which ran to about \$1200.
1000		~~		<b>BC Gaming Direct Access Grant.</b> In what appears to be a response from SARC's
				request to change its Casino Application to a Direct Access application, the club received a
1998	12		15	direct deposit of \$4000 into its Gaming Account at the bank.
1990	12		15	
1000	10			SARC web pages. Troy VE7SOK has now taken over this activity from Randy and is looking
1998	12		15	for a new site due to some incompatabilities with the former site.
1000			- L	Office held. Roy Barsley VE7EHX is the current president of the Salmon Arm
1998	12		15	Seniors Amateur Radio Club.
				Application. Ian VE7WIZ meets with District of Salmon Arm staff to discuss his request to
				erect an antenna at his QTH that would likely slightly exceed the 36-foot limitation imposed
				by local Bylaw 2203.
1998			22	
1998	XX	ΧХ		Office Held: Don VE7SVM was president of the Salmon Arm A.R.C.
				Reino Keski-Salmi Loppet: AI VE7CAL - net control, Bob VE7RJA and Barb, Robin
				VE7SRH, AI Bangay, Troy VE7SOK, Harry VE7HES, Ron VE7RLE, and Jean Drolet
				VE7OJD.
1999	1		16	
				Office held: Roy Barsley was elected president of the Salmon Arm Seniors'
1999	3		14	A.R.C. at the annual general meeting on this date.
				Request. Shuswap Amateur Radio Club requests that Warren Canney grant the club right of
1999	4		2	first refusal when his UHF equipment on Tuk Mountain comes up for sale.
				Easter Parade: Harry VE7HES, AI VE7CAL, and Ron VE7RLE were sufficient to handle
				communications for this much-smaller-than-usual parade due to cancellations of entrants
1999	4		3	during this cloudy, rainy and chilly morning.
				Repeater Relocated. The VE7RSA started leaving its second home, the Channel 13 site at
				the Rotary Skyview on Fly Hills and the first being the Channel 22 site on Bastion. On this
				day the antenna and duplexer were taken down the hill by Hans VE7BOD, Al Bangay
				VE7TDE, Robin VE7SRH and Ron VE7RLE. The repeater was fully relocated later that
				summer at its present [2009] location on Kault Hill in a yet another cement block shack
1999	6		15	constructed by Hans VE7BOD and shared with Channel 9 TV rebroadcast repeater.
				· · · · · · · · · · · · · · · · · · ·
				Field Day. Held in the Blacksmith shop at Haney Heritage Park.Operators and helpers
				included Doug VE7DNG, Troy VE7SOK, Mike VE7LOG, AI VE7BOY, Ron VE7RLE, Phil
1999	6		26	VE7BPH.
				Beat the Train Team Triathlon: Roy VE7EHX, Ron VE7RLE, Roy VE7RDV, Robin
1999	6		27	VE7SRH, AI VE7BOY, Bob VE7RJA and Barb Giesbrecht, Harry VE7HES.
				Bike for Your Life Bicycle Tour: Ron VE7RLE, Gail VE7ARO, Bev VE7BDV,
				Harry VE7HES, Ian VE7Ian VE7WIZ, Robin VE7SRH, Doug VE7DNG, AI VE7CAL, AI
1999	7		3	VE7BOY, Jean VE7OJD.

			Salmon Arm Classic Triathlon: Harry VE7HES, Roy VE7RDV, Robin VE7SRH, Don			
			VE7SVM, and Ron VE7RLE. 61 entries. This was the first time that runners coming along			
			Lakeshore from the swim at Canoe Beach were able to use the new pedestrian underpass to			
1999	8	Q	get across the highway.			
1333	0	0	get across the highway.			
			VE7RNH TOWER UPGRADE. The final solution to problems with the Sinclair VHF antennas			
			on the roof of the microwave builing on Granite Peak in the Fly Hills was as follows: Install			
			four eight-foot sections of steel tower against the building. Set the base in 1100 lbs.of readi-			
			mix concrete covering cables attached to iron rods pounded into the ground. Clamp the			
			tower to the edge of the roof. Guy the tower to the roof. Clamp the Sinclair antenna to the			
			tower with only about 25% of the total antenna length projecting above the top of the tower.			
			Work was done by Phil VE7BPH, Ian VE7WIZ, Mike VE7LOG, Roy VE7RDV, and Dean			
1999	8	15	VE7VHM, all of whom got down the hill at 2130 hours, the latest work party ever.

		_	· · · · · · · · · · · · · · · · · · ·			
			Vernon Ham Stu VE7BQY assists with work to the VE7RSA 147.02 Salmon Arm			
			Seniors Amateur Radio Club repeater on Kault Hill. Others assisting were Bruce			
			VE7IUQ, Phil VE7BPH, Hans VE7BOD, and Ron VE7RLE. Stu worked up at the 100-foot			
			level of the tower. Tasks completed included: All dipoles pointed towards Salmon Arm,			
			antenna connections checked for moisture, shorts detected in each of the n-connectors of			
1999	11	7	the coax joining the duplexer to the antenna.			
			Y2K Response. First test of propagation between the hospitals in Vernon, Salmon Arm and			
1999	11	9	Revelstoke. In to SLGH before 2000 hours.			
			Donation: The Salmon Arm Seniors' Amateur Radio Club presented NORAC			
			a \$50 cheque in appreciation of the antenna work performed by Stewart VE7BQY at 100 feet			
1999	11	16	on the Kault Hill tower.			
		.0	Acquisition. SARC purchases its Yaesu FT990 rig from Fred Cooper VE7JNJ who is			
			known by lan VE7Ian VE7WIZ as having been especially reliable in caring for his			
1000	4.4	00				
1999	11		equipment.			
1999	11	27	Wake Up Santa Parade: Ron VE7RLE, Robin VE7SRH, Harry VE7HES.			
			Exercise Mercury. This province-wide exercise in response to a simulated Tsunami			
			threat to our coast saw 23 local amateurs check in to a local emergency net on 146.760. We			
			did, however, have difficulty getting through to the Provincial Emergency Response Centre in			
			Kamloops {PREOC], buy Bruce VE7IUQ was able to contact the PREOC on 80 metres with			
			no difficulty. He did so both for the Salmon Arm amateurs and for Bob VE7BSL with the			
1999	12	4	Vernon amateurs who were having the same difficulty in reaching the PREOC.			
		т				
			Y2K Response. Hams assisted the Emergency Program here as they did in most centres.			
			We wanted to make sure that hospitals in the region could be in radio contact if needed.			
			From our set up in the hospital pavilion from about 2045 hrs., we made contact with			
			emergency coordinator Chuck Elliott VE7RXR of Revelstoke, and some hams in Vernon but			
			did not make contact Vernon Jubilee where permanent amateur radio antennas and coax			
			are set up. We stayed with SLGH hospital staff until 0230 hours. We also had an unmanned			
			amateur station completely set up in our #3 Fire Hall. Hospital operators were Ian VE7WIZ,			
1999	12	31	Roy VE7RDV, Bev VE7BDV and Ron VE7RLE.			

				Amateur Radio Clubs 1976-2014
				<b>CONSTITUTION.</b> On this date the club passed a formal resolution stating that
				the club's Dissolution Clause " is unalterable." An unalterable dissolution clause is a
2000	2		10	required condition for receipt of Direct Access Grants from BC Gaming.
2000	3		12	Office Held: Don VE7SVM was elected president of the Salmon Arm A.R.C.
				Provincial Emergency Program: Gord Pelletier is no longer the Emergency Coordinator.
2000	3		12	His position will be filled by deputies on an interim basis.
				Presentation. Ian VE7WIZ makes a formal presentation to council urging a reconsideration
				of the height restrictions in Bylaw 2203, Section 4.4 as it applies to the height of antenna
2000	3		27	support structures for amateur radio.
2000			_,	146.760 Update: Sharc Bytes. 2000 Newsletter. Tidbits from this newsletter: -
				Roy Doerkson VE7RDV an new ham and new club member has provided two editions of
				another club newsletter SARC SPARKS which will be showcased if they can be located
				in the very successful 1997 VA7F Special Event station 22 amateurs worked the Yeasu
				FT1000 Transceiver donated for the event by Com-West In 1999 the club purchased its
				own FT990 in excellent condtiona tone board used to add subaudible tones to help our
				•
				repeater overcome intermod from pagers was not used, as it caused interference with the
				club's autopatch the club purchased the used UHF equipment that Warren Canney
				VE7EHL had installed on Tuk Mountainthe club is actively looking for a small, used travel
				trailer to outfit as an Emergency Communications trailertwo ideas which never reached
				fruition were to reactivate our UHF link to Tuk Mountain and also to provide a UHF link to the
				146.72 repeater in RevelstokeSARC was starting to consider offering a class for the Basic
				Qualification, as there had been no classes in Salmon Arm since about 1994 Gail
0000				VE7ARO at this time was hoping to establish a YL net the newsletter was mailed out to 77

Jamboree of the Air in which local scouts speak to other troops by way of 2001           2001         5         20 forsect. This was the first time that either club had participated in this contest in the Piccadilly Mall. Since 1999 the Seniors Amateur Radio Club had installed a trap dipole - courtesy of Hans VE7BOD- on the roof of the mall, with the coats accessed through the ceiling panels. In this first contest, we started operating at only 1836 hours of the 24 contest and made 17 contacts on 20m and 15m, and we were unfamiliar with the contest rules, although we did submit results. In this contest, we normally use the joint club call VE7RAW. Operators included Robin VE7RObin VE7HMN, Roy VE7EHX, Harry VE7HES, Ron           2001         7	2000	12	q

			Examiners: Ottawa is made aware that Tosh VE7DLA and Hans VE7BOD have
			resigned as certified examiners after years of service. Ernie VE7AOH continued as the
2001	11	18	sole local examiner until Robin Hickman VE7HMN agreed to also become an examiner.
			Loppet: Annual Reino Keski-Salmi: Operators were John VE7OJD, Robin VE7SRH, Doug
			VE7DNG-net control, Harry VE7HES, Ron VE7RLE,
2002	1	19	Gerry VA7GRB, Ken VE7KJP, AI Fritzel VE7FGA.
			Basic Qualification Course. Feb. 13 - March 27. Okanagan College. The
			UBC 5th Edition manual was used. Instructors:
			Mike VE7LOG, Phil VE7BPH, Robin VE7HMN, Rick VA7RRL, Vic VE7VAB, Buck VE7EIL-
			[VE7RC], Harry VE7HES, Robin VE7SRH, Ron VE7RLE, Ian VE7WIZ.
			New Hams: Chris VA7CAC, Don VA7ENN, Dan VE7XXA, Robert VE7KRT, Ary VA7ARY,
			Mary VA7MCH, Trevor VA7REV, Howard VA7GUB, Ed VA7ERK, Finlay VE7GIN, Eddie
	-		VE7ETE, Dani VA7DJH, Kelly VA7BUZ, and Celia VE7NIA [who studied at home but wrote
2002	2	13	her exam with the class.]
0000	0		Office held: Robin VE7HMN is SARC president with Vice-President Mike VA7MK and
2002 2002	2		Ian VE7WIZ filling in as treasurer for AI VE7CAL during his convalescence. IRLP. The SARC IRLP node 1420 is located in Tappen VE7RAM on 146.485 Simplex
2002	2		Silent Key: Tom McRae VE7BNI 82 years.
2002	2	14	Shent Rey. Tom Mchae VL7 DNi 02 years.
			Exercise: Functional: Shuswap Emergency Management Program: Communications
			Exercise entitled
			"Answer the Phone." Assisting in the communications component were Jean VE7OJD,
2002	2	13-14	Buck VE7RC, Doug VE7DNG, Ron VE7RLE, Ken VE7KJP, and Roy VE7RDV.
			SARC Fund-raising. For several years the club sold Vesey's bulbs, realizing a 50%
			profit on total sales. This campaign was spearheaded by Jean Drolet VE7OJD and Bev
2002	3	14	Doerkson VE7BDV. In 2002, the order to Vesey's totalled \$500.
2002	3	22	Exercise: Orientation: Sink or Swim. Shuswap Emergency Mangement Program
	-		Examiner: Robin Hickman VE7HMN has been certified as a new examiner
2002	4	14	in this area.
			Flood Alert - Amateurs assist the Emergency Program with two-day flood alert in the Emerg.
2002	5	XX	Operations Centre
			Bike for Your Life Bicycle Tour: The largest number of helpers ever included Bev
			VE7BDV. Roy VE7RDV, Gail VE7ARO, Harry VE7HES, Gerry VA7GRB, Doug VE7DNG,
0000	<b>c</b>		Ron VE7RLE, Don VE7SVM, AI VE7CAL, Ed VA7ERK, John VE7BOZ, AI VE7FGA, Bob
2002	6	1	VE7RJA, AI VE7BOY, Danny VA7DJH, and Hans VE7BOD.
			<b>Emergency Program.</b> Prior to this date, local tests were conducted to ascer- tain that 911 calls could be made through the local auto patch. The test was
2002	6	q	made by prior arrangement with local fire hall dispatchers.
2002	0	5	Air Affair at Salmon Arm Airport: Doug VE7DNG, Ary VA7ARY, Buck VE7RC, Ron
2002	6	16	VE7RLE, Roy VE7RDV, Ian VE7WIZ, and Al VE7CAL.
			Beat the Train Team Triathlon: VE7BOY, VE7CAL, VE7SRH, VE7RC, VA7ERK,
2002	6	23	VE7RLE and VE7BWT.
			Canada Day Contest and Public Display Piccadilly Mall: Ron VE7RLE,
			Harry VE7HES, Doug VE7DNG, Celia VE7NIA, AI VE7BOY, operators with helpers John
			VE7BOZ., Ian VE7WIZ, Ernie VE7AOH, Hans VE7BOD, Bruce VE7IUQ, Orrin VE7DTN,
2002	7	1	Ron VE7CUK, and Ed VA7ERK.

2002	7	28	Ron VE7RLE, Gerry VA7GRB, and Ed VA7ERK.
			RAC Convention 2002. NORAC's successful convention in Vernon was the second
2002	7	06 <u>00</u>	such RAC convention every held in Canada. If memory serves, SARC amateurs who assisted included VE7RDV, VE7BDV, and VE7ARO.
2002		20-20	a solution included VE/NDV, VE/DDV, all VE/ANU.
2002	8		<b>Servicing. VE7RNH</b> - Batteries A-F voltage and specific gravity. Phil VE7BPH, Mike VE7LOG, James VA7HF, Robin VE7HMN, and Ron VE7RLE.

			Amateur Kadio Clubs 19/6-2014
			Donation. Mr. Bruce Scott of Pharmasave #244 was thanked for donating a computer which
2002	8		was put to use with the club's IRLP node in Tappen.
2002	8	18	Raven Run. John VE7BOZ, and Ron VE7RLE.
			Maintenance. Emergency Trailer. Scrape and reseal roof seams.
2002	8	20	Ian VE7WIZ, and Ron VE7RLE.
			Silent Key: Jack Wyton VE7YTO active member of the Seniors A.R.C.until his final
2002	9	12	illness. Founding partner of Mt. Ida Concrete Products.
			Fall Fair Parade: Ron VE7RLE, Robin VE7SRH, Gail VE7ARO, Ernie VE7AOH, Harry
2002	9	14	VE7HES, Ian VE7WIZ, and Hans VE7BOD.
			Grant Receipt. SARC secured a Grant-in-Aid of \$1000 from Area C of the CSRD which was
2002	9	26	put towards the purchase of the Kenwood D700 to provide the club with APRS capability.
2002	Ŭ	20	
			Rotary Walkathon. Little Mountain Park: Doug VE7DNG, Buck VE7RC, Harry VE7HES
2002	10	5	and Ron VE7RLE.
2002	10	5	Servicing. VE7RNH -Batteries. Spec Gravity and voltage loaded and unloaded
2002	10	6	
2002	10	0	
0000	10	10	<b>Donation:</b> SARC donates \$100 to the upcoming Canadian Ladies Amateur Radio
2002	10	10	Association Conference in Salmon Arm.
0000	10	00	Spooktacular. Haney Park. Two nights: Ron VE7RLE, John VE7OJD, Roy VE7RDV, Ed
2002	10		VA7ERK, Buck VE7RC, Harry VE7HES, and Doug VE7DNG.
2002	11	14	Public Service. Salmon Arm hams have contributed 617 hours of service this year.
			Ham Plates. Ed Kean VA7ERK spends considerable time and effort to convince ICBC that
2002	11	23	it should be possible to secure Ham Plates for his lease vehicle.
			Reino Keski-Salmi Loppet : Trevor VA7REV, Celia VE7NIA, Al VE7CAL-net control, Doug
2003	1		VE7DNG, Ron VE7RLE, Robin VE7SRH, Ian VE7WIZ, and VE7IGM [Ian Geggie].
2003	2	13	Office held: Phil VA7PB is now president with Mike VA7MK was vice-president.
			North Shore Coverage. At this meeting there was the first recorded interest from SARC
			of the need for North Shore coverage which eventually led to the establishment of the
2003	3		Adams repeater which came online on September 21, 2008.
2003	3		Servicing.VE7RNH - Batteries Spec G and voltage Cells A-F
2003	3	15	Installation. VE7RNH. Install voltage regulator for the repeater radios.
			Exemption Granted. The club was successful in seeking exemption from paying property
			taxes on its VE7RNH site. The government was under the impression that our club was
2003	3		involved in television rebroadcasting.
2003	3	31	Exercise: Orientation: Snowman. Shuswap Emergency Mangement Program
2003	4	10	Exercise: Orientation: Youth Leadership. SEMP
			Western YL Conference in Salmon Arm. Gail VE7ARO, Roy VE7RDV,
2003	4	26	Bev VE7BDV, Celia VE7NIA and Bruce VE7IUQ on antennas with Roy.
			Sunnybrae Community Hall. 50th Anniversary. As one of the tenants which holds
			meetings in the hall, the Salmon Arm Seniors Amateur Radio Club was invited to hold and
2003	5	24	Amateur Radio Display. Ron VE7RLE
			Junior Triathlon. First annual occurrence of this event near the Salmon Arm Recreation
			for athletes aged 3-18. Communications with Harry VE7HES, Trevor VA7REV, and Ron
2003	6	1	VE7RLE.
2003	6	4	Exercise: Functional: What Goes Where? Shuswap Emergency Management Program.

			Sicamous Fire. This was the year's first local fire event requiring an Emergency Program
			response. Amateurs assist in Curling Rink Emergency Operations Centre for one
			week. 54 hours of service: Ron VE7RLE, Ron VE7CUK, Robin VE7SRH, Roy VE7RDV, Ian
2003	7	25	VE7WIZ, Doug VE7DNG.
			Salmon Arm Classic Triathlon. Amateurs providing communication: AI VE7BOY, Ron
2003	7	27	VE7RLE, Robin VE7SRH, Gerry VA7GRB, Bob VE7RJA, Ian VE7WIZ, Harry VE7HES.
			Falkland Cedar Hills Fire. This was the second occasion in 2003 for an Emergency
			Program response. In the Emergency Operations Centre in the Hydro Building in Salmon
			Arm, the following amateurs assisted with 284 hours of service between Aug. 2-9:
			Ron VE7RLE, Roy VE7RDV, Ian VE7WIZ, Eddie VE7ETE, Ken VE7KJP, Ron VE7CUK, Ed
			VA7ERK, Doug VE7DNG, Vic VE7VAB, AI VE7CAL, Bruce VE7IUQ, and orientation only by
			Gail VE7ARO and Harry VE7HES who did not get called in During this
			event in which there was some juresdictional confusion between Vernon and Salmon Arm in
			that an EOC was also set up in Vernon with amateurs from that area assisting.
0000	_		
2003	8	2	
			Request. North and South Shuswap First Responders share a repeater housed in the chalet
			managed by the Crowfoot Mountain Snowmobile Club. In 2003 we were interested in a
	_	_	possible sharing arrangement with these groups, but nothing ever came of it. Linda
2003	8	5	Christopherson and Paul Spooner were our contacts.
			McGillivray-Niskonlith Fire. In this final and largest local Emergency Program response
			in this area, amateurs were first called into the the Emergency Social Services Reception
			Centre in the Recreation Centre where six amateurs were called in at 0230 hours, and
			then also in the Emergency Operations Centre in the Hydro Building as well. The following
			amateurs served in one or both of these venues for a total of 338 hours between August 16-
			29: Roy VE7RDV, Ron VE7RLE, Doug VE7DNG, Ron VE7CUK, Ed VA7ERK, Harry
			VE7HES, Robin VE7SRH, Ian VE7WIZ, Bruce VE7IUQ, Roy VE7BDV, Bev VE7VAB, John
2003	8	16	VE7OJD, and Hans VE7BOD.
	-		,
			25th Annual Mini-Hamfest. As always we had help from amateurs throughout the valley
			but locals with assigned tasks included Hans VE7BOD, Ron VE7RLE, Ken VE7KJP, Harry
			VE7HES, Robin VE7SRH, Tosh VE7DLA, Gail VE7ARO, Gerry VA7GRB, Roy VE7RDV,
2003	9	5	Don VE7SVM, and Mary VA7MCH.

Shuswap Amateur and Salmon Arm Seniors Amateur Radio Clubs 1976-2014

			Basic Qualification Course. Okanangan College. October 8-November
			12.
			5th Edition UBC Manual used for course instruction: Instructors:
			Robin VE7HMN, Steve Weyland, technician, Ron VE7RLE, Rick VA7RRL, Phil VE7BPH,
			Robin VE7SRH, Buck VE7EIL-[VE7RC], Ian VE7WIZ, Dooug VE7DNG.
			New Hams: Rob VA7AYL, James VA7BJM, Tom VA7BAD, Roger VA7RMB, Lewis
			VE7LHX, Miles VA7MMK, Doug VE7WHZ, Mike VE7MIQ, Bryn VA7BWR, Steve VA7AMI,
2003	10	8	plus Wayne VE7XAD who studied at home and wrote with this class.
			Servicing. VE7RNH- Batteries -voltage only. New cells one-six. Amateurs up the hill
			included Phil VE7BPH, Mike VE7LOG, Celia VE7NIA, Ron VE7RLE, Ed VA7ERK, and Doug
2003	10		VE7DNG.
2003	10	19	Installation. VE7RNH. Install new set of "used" batteries. Cells 1-6. \$2400.
2003	10	25	Spooktacular. Cancelled this year due to staffing problems at Haney Heritage Park.
			Transfer. Comshell 28 ft. which had been donated to the club by the Ministry of
			Transport was transferred from its first location in windy Mt. Ida to the Kennedy Farm
			in Tappen. The crew who helped load and unload onto the low-bed trailer included: Mike
			VE7LOG and his trailer, Robin VE7HMN, Phil VE7BPH, Ron VE7RLE, Buck VE7RC, Celia
		10	VE7NIA, Wayne Harris [later VE7XAD], Ron VE7CUK, Eddie VE7ETE, Doug VE7DNG with
2003	11	16	provisions supplied by Mary VA7MCH and ARY VA7ARY.
			<b>Crowfoot Repeater.</b> Although SARC later donated some batteries for this repeater, research into the extent to which this repeater could be shared to provide more SARC
2002	10	4.4	coverage in to the North Shore revealed a number of problemssecurity issues and so forthwhich discouraged further investigation.
2003	12	11	SARC Club Laptop computer. Robin VE7HMN located a used laptop IBM C600
			[Pentium III 500 MHz 12 G storage] which appeared to suit the needs of the club and
2003	12	11	was purchased as a budgetted Gaming Fund item.
2003	12	11	<b>Donation.</b> St. Andrews United Church in Enderby donated \$126 to SARC which was
			part of the church's proceeds from Stuck in the Middle, a coffee house, spag-
			hetti, dinner, and concert in appreciation of the efforts of all sorts of volunteers
2003	12	11	during the 2003 fire season.
			5
			RAC WINTER CONTEST. This was the very first winter contest and mall display held in the
			Piccadilly Mall. The winter contest and the Canada Day contest are identical in terms of rules
2003	12	27	and procedures. Operators included VE7RLE, VE7BOD, VE7NIA, VE7HES, VE7VAB.
2003	12	30	Public Service. Total hours for 2003 a new high at 1693 hours.
			Reino Keski-Salmi Loppet : Roy VA7REV, Celia VE7NIA, AI VE7CAL-net control, Doug
			VE7DNG, Ron VE7RLE, Robin VE7SRH, Ian VE7WIZ, Wayne VE7XAD, Rob VA7AYL,
2004	1	17	Mike VE7MIQ, and VE7WYL.
			Denstion Warran Kaan MAZDO of Drings Coords denoted to CADO o OF Master II trans
0004		00	<b>Donation.</b> Warren Kean VA7RC of Prince George donated to SARC a GE Master II trans-
2004	1	30	ceiver from his personal stock of surplus equipment.
2004	2	5	Silent Key: Mike Castrucow VE7MK. A founding member of NORAC, a member of the Seniors' A.R.C. and long-time supporter of the mini-hamfest. Age 63
2004	2	5	Office held: At this AGM Robin Robin VE7HMN was elected President and Ron VE7CUK
			Was
2004	2	12	elected Vice-President.
2001	-		Public Service. Guides on the Air. Elks Hall.Ed VA7ERK, Robin VE7HMN, and Ron
			VE7RLE.This was
			an excellent session in that all of the local girls were able to talk individually on HF to
2004	2	21	another troop of girls in the Kelowna area.
2004	3		Exercise: Orientation: Functional. Willing Horse" OPS/PLAN SEMP
2004	3		Exercise: Orientation: Functional. Willing Horse" LOGS / FA SEMP

2004	3	11	Salmon Arm Airport Presentation: The regular March SARC meeting held at the airport had over 24 members in attendance. John McDernott, Air Port Manager gave a presentation about the basic operation of the airport including the ARC system, the number one priority being the 125-175 Medivacs per year and the second priority being Forestry. Ken Hoshowski VE7FP gave a history of the airport, from its first site in Minion Field near the present Salmon Arm Ready Mix, and Doug Pearce VE7PAK, an Emcon radio technician, gave information about surplus equipment available for club use and suggested the value of a future repeater on Queest Mountain near the old forestry lookout. Detailed notes of these presentations are available in the club minutes.
2004	3	30	<b>Donation.</b> Ernie Neustaeter donated numerous radio-related items to the Shuswap Ama teur Radio club including trap and dipole antennas, climbing belt, Field Strength meter, and coaxial cable upon his move from a house to a condo.
2004	4		<ul> <li>CHB-2004. National Hot Air Balloon Competition - Kamloops. Oct. 7-11. Bill Foster</li> <li>VE7WWW made a presentation to encourage radio amateurs to assist with this event to be held with about 30 balloons, some flying competitively within a 20 km radius of Kamloops. Amateurs were to accompany officials in chase cars. Despite a number of club members completing registration forms to apply for training, the communication system for this event was restructured so that amateur radio was no longer required.</li> <li>Public Service. The clubs provided communciation for the BC Cup Cycling TimeTrials in Silver Creek Valley. This exciting event was a one-time event for us, as it likely went to other parts of the province in succeeding years.</li> </ul>
2004	5		<b>On the Record.</b> SARC goes on record as supporting the stance of RAC in opposition to any means of approving or encouraging the spread of Access Broadband Over Power Line technology into Canada as a threat to HF.
2004	5	30	Junior Triathlon. Communications with VE7HES, VE7DNG, VE7MIQ and VE7RLE.
2004	5	31	<b>Donation.</b> SARC donated some of the surplus batteries in the Shuswap Emergency Program's Hudson Storage obtained from Revelstoke to AI and Linda Christopherson South Shuswap First Responders for use on Crowfoot Mountain.
2004	6	1	Piccadilly Mall. Emergency / contest antenna coax upgrade to LMR 400: Hans VE7BOD. Ron VE7RLE, Gerry VA7GRB, Doug VE7DNG, Ken VE7KJP.
2004	6	4	<b>Call Sign Granted</b> . Industry Canada issues Special-Event Call Sign <b>VA7C</b> for use with our Special Event Station to commemorate Salmon Arm's Centennial. This one-letter call was valid for 30 days and was also used in the RAC Canada Day Contest with no end of confusion with receiving stations could not believe that there were at least two letters in the call-sign suffix. <b>7th Annual Bike for Your Life Bicycling Tour:</b> Hans VE7BOD. Al VE7BOY, Gail VE7ARO,
2004	6	5	Lewis VE7LHX, Ron VE7RLE, Matt VE7MLX, Robin VE7SRH, Harry VE7HES, Gerry VA7GRAB, and Roy VE7RDV.
2004	6	6	<b>Replacement</b> .VE7RSA repeater Kault Hill. Replace cable connectors-repeater-duplexer Hans VE7BOD, Wayne VE7XAD, Ed VA7ERK, AI VE7BOY, and Ron VE7RLE.
2004	6		Haney Heritage Park. Parking help for two-day Quilters Convention: Celia VE7NIA, Doug VE7DNG, Ron VE7RLE, Wayne VE7XAD, Roy VE7RDV, and Eddie VE7ETE. Beat the Train Team Triathlon: Doug VE7DNG, AI VE7BOY, Roy VE7RDV, Ron VE7RLE, Mike VE7MIQ, Robin VE7SRH, Harry VE7HES, and Lewis VA7LHX
2004	6 6		Exercise: Tabletop Functional: Mercury. Shuswap Emergency Management
2004	6		Salmon Arm Air Affair: Roy VE7RDV, Doug VE7DNG, Mike VE7MIQ, Ron VE7RLE, Ed VA7ERK, and Gerry VA7GRB.

-			Amateur Radio Clubs 1976-2014
	T		Field Day: Set Up, Operate, and Clean Up: Ed VA7ERK, Eddie VE7ETE, Mike VE7 MIQ,
			Bruce VE7IUQ, Doug VE7DNG, Roy VE7RDV, Ron VE7RLE, AI VE7CAL, Celia VE7NIA,
			Robin VE7HMN, Mary VA7MCH, Rudy VE7KCW, Tosh VE7DLA, Hans VE7BOD, Phil
			VE7BPH, Harry VE7HES, Buck VE7RC, Ian VE7WIZ, Bob VA7UF, Ernie VE7AOH, and Bob
2004	6	23	VE7RJA.
			Installation. Hydro Emergency Operations Centre. As a component of the Shuswap
			Emergency Program, members of SARC installed VHFantennas and an HF . dipole on the
			roof of the Hydro building and ran coax through a conduit in the outside wall above the
2004	6	30	ceiling tiles in the board room, readily available to the radios in an emergency set up.
			Canada Day Contest. Doug VE7DNG, Harry VE7HES, Celia VE7NIA, Ron VE7RLE, Hans
	_		VE7BOD, Wayne VE7XAD, Buck VE7RC. Bruce VE7IUQ, Ernie VE7AOH, Ed VA7ERK,
2004	7	1	and Ian VE7IGM.
			Donation. Budget Brake and Muffler was thanked for donating two mufflers to be used in-
0004	-	-	line to reduce noise from the club generator used on Field Day in Haney Her-
2004	7	5	itage Park and Museum at our location very near the KOA campground.
0004	-	4.4	Servicing. VE7RNH Repeater: Batteries -voltage only. New cells one-six Ron VE7RLE,
2004	7	11	Mike VE7MIQ, Phil VE7BPH, and Ian VE7WIZ. Servicing and Installation. VE7RNH Repeater. New Regulator. Duplexer repaired. Ron
2004	7	11	VE7RLE, Ian VE7WIZ, Mike VE7MIQ, and Phil VE7BPH.
2004	/	11	Batteries from Shuswap Emergency Management Hudson Storage: Surplus to
			SARC's needs and not in very good repair. Donated to the Crowfoot Repeater: Ron VE7RLE
2004	7	12	and Orrin VE7DTN. Twelve 2-volt cells.
2004	,	14	<b>Field Day Support.</b> Bob Giesbrecht VE7RJA has donated the use of his Kenwood 450 as a
2004	7	15	transceiver for our second Field Day operating station for a number of years.
2007	,	10	Servicing and Re-installation. VE7RNH Repeater. Batteries-voltage only. New cells
			one-six. Replaced and tested UHF duplexer. Phil VE7BPH, Ian VE7WIZ, Wayne VE7XAD,
2004	7	24	Celia VE7NIA, Ron VE7RLE, and Doug VE7DNG.
	-		Installation. VE7RSA Repeater Kault Hill. Install filter and double-insulated
2004	7	29	cabling. Hans VE7BOD, Ron VE7RLE, and Ed VA7ERK.
			Salmon Arm Classic Triathlon. Safety communications.Bob VE7RJA, Roy VE7RDV, Ed
2004	8	1	VA7ERK, Gerry VA7GRB, AI VE7BOY, Ron VE7RLE, Robin VE7SRH, Bev VE7BDV.
			SARC WEB SITE: Ron Harries VE7CUK secured an agreement with Jetstream Internet
2004	8	13	Services of Salmon Arm to host the SARC web site at no cost to the club.
			Shuswap Mini Hamfest. Sunnybrae Hall. Sept. 3-5: Local hams with designated tasks:
			Hans VE7BOD, Ron VE7RLE, Tosh VE7DLA, Wayne VE7XAD, Gerry VA7GRB, Rudy
			VE7KCW, Celia VE7NIA, Gail VE7ARO, Doug VE7DNG, Harry VE7HES, Chris VA7CAC,
	~	~	Alex VE7EIS, Robin VE7SRH, Ian VE7WIZ, Ken VE7KJP, Don VE7SVM,
2004	9	3	and Ed VA7ERK.
0004	~		Fall Fair Parade: Ron VE7RLE, Hans VE7BOD, Mike VE7MIQ, Robin VE7SRH, Harry
2004	9	11	VE7HES, and Roy VE7RDV.
			Servicing. VE7RNH Repeater - Batteries -voltage only. New cells one-six and adjusting
			battery alert limit settings in order to correct an apparent overcharging reading. Robin
2004	9	0E	VE7HMN, Doug VE7DNG, Ron VE7RLE, and Ian VE7WIZ.
2004	9	20	Tower Raising. HARRIS QTH. The tower which Wayne and Celia Harris had
			purchased from James [Scotty] Flynn VE7PER and which the club had previously
			dismantled in Sorrento was now raised on the Deep Creek property. Celia VE7NIA and
			Wayne VE7XAD were assisted by Robin VE7HMN, Mike VE7MIQ, Robin VE7SRH, Mary
2004	10	17	VA7MCH, Ron VE7RLE and VE7DNG.
2004	10	17	<b>Spooktacular. Haney Heritage Park.</b> Saturday and Sunday evenings: Ron VE7RLE, Celia
			VE7NIA, Roy VE7RDV, Bev VE7BDV, Doug VE7DNG, John VE7OJD, Mike VE7MIQ, Gerry
2004	10	23	VA7GRB, Robin VE7SRH.

			Amateur Radio Ciuds 1976-2014
			IRLP. Red Hat version 9 has been installed to facilitate this program. Some help is
2004	11	18	needed for Mike VA7MK to configure the required software for our new Rigblaster.
			CONSTITUTION. At this meeting SARC passed a motion to adopt new bylaws which
			are essentially the bylaws suggested by the B.C. Societies Act with a few changes to
2004	11	18	suit local circumstances.
2004	12	3	Exercise: Orientation: EOC Breakdown.
			RAC Winter Contest and Public Display in Piccadilly Mall: Doug VE7DNG, Ron
			VE7RLE, Robin VE7HMN, Bob VA7UF, Wayne VE7XAD, Celia VE7NIA, Hans VE7BOD,
2004	12	18	Tym VE7TYO, Tim VE7TMQ, operators and many others to support and visit with the public.
			Registration. APRS Through Andy King VE7FTR of Vernon, SARC was able to register for
2004	12	29	the use of WinAPRS for the sum of \$67.50 Canadian.
			Reino Keski-Salmi Loppet. This loppet was Cancelled at the last minute due to minus
			24 degrees with a wind. The cancellation was made at the last minute when it became
			apparent that the weather would not warm up to -20 where the event could legally proceed:
			The following hams already on the hill freezing in the parking lot were
			very pleased: Ron VE7RLÉ, Ian VE7WIZ, Bob VE7RJA, Doug VE7DNG, Wayne VE7XAD,
2005	1	15	Trevor VA7REV, Ian VE7IGM, Robin VE7SRH, and AI VE7CAL- net control.
	-		Break In. The Snowblazers Snowmobile Club with whom SARC shares the former
			microwave building on Fly Hills informed our club of an apparent break in into the VE7RNH
2005	2	3	shack.
			Grant Receipt. The directors of CSRD area C and area F have each provided a \$950 Grant-
2005	2	7	in-Aide to help fund the Adams Repeater.
			Guides on the Air. Short wave public demonstration in the Deep Creek Hall with
2005	2	19	Robin VE7HMN? and on other operator.
2005	3	10	Exercise: Orientation: Tabletop: Full House. Shuswap Emergency Management
			Exercise: Functional: Log Roller. Shuswap Emergency Management Program: Follow
2005	3	24	up from Full House. Re refugees from Lower Mainland earthquake.
			Membership. SARC has paid to become member # 001138 of the Salmar Community
2005	3	29	Association in support of this outstanding community benefactor.
			Winlink 2000 Workshop in Kamloops attended by Ron VE7RLE, Doug VE7DNG, Bill
			VE7KDK, Mel VE7STR and other hams along with some emergency officials from Salmon
2005	4	23	Arm.
			<b>RECOGNITION.</b> Ron VE7RLE was selected as the <b>Communications Volunteer of the</b>
			Year by the Provincial Emergency Program and presented with a plaque at the Annual
2005	4	30	Volunteer Awards Dinner in Victoria.
			Piccadilly Mall. Emergency Preparedness Display inside the building. HF radio
2005	5	7	demonstrated by Bruce VE7IUQ, Harry VE7HES, Ernie VE7AOH and Ron VE7RLE.
			Grant Receipt. Two CSRD Grants-in-Aide totalling \$1900 this year were applied towards the
2005	5	16	cost of the duplexer for the proposed Adams Hill repeater.
2005	5		Exercise: Tabletop Functional: Mercury II:
2005	5	29	Junior Triathlon. Harry VE7HES, Doug VE7DNG, Mike VE7MIQ and Ron VE7RLE.
			Re-installation. VE7RSA Repeater. [Kault Hill]. Repair and re-install RSA repeater radios
2005	6	3	with Hans VE7BOD, Ed VA7ERK, VA7RC-Warren from Prince George, and Ron VE7RLE.
		_	Bike for Your Life Bicycling Tour: VE7RLE-VE7DNG net control, Ian VE7WIZ, Roy
			VE7RDV, Harry VE7HES, Robin VE7SRH, Mike VE7MIQ, Gerry VA7GRB, Gail VE7ARO,
2005	6	4	John VE7OJD, Bill VE7KDK, and Ed VA7ERK.
			Beat the Train Team Triathlon: Roy VE7RDV, Mike VE7MIQ, Doug VE7DNG, Robin
2005	6	12	VE7SRH, Harry VE7HES, Ron VE7RLE, Bill VE7KDK.

6	24	<b>Field Day.</b> Ian VE7WIZ, Ed VA7ERK, Doug VE7DNG, Ron VE7RLE, Celia VE7NIA, Tosh VE7DLA, Ernie VE7AOH, Bill VE7KDK, Roy VE7RDV, Don VE7MJP, Wayne VE7XAD, Bonnie VE7BJR, Tym VE7TYO, Tim VE7TMQ, Mike VE7MIQ, Bruce VE7IUQ, Robin VE7HMN, Ernie VE7AOH, Gerry VA7GRB, Mike VA7MK, Jon VE7ISB, and Phil VE7BPH.
		<b>Piccadilly Mall.</b> Installed VHF isopole antenna on the roof of the building with Hans VE7BOD, Ron VE7RLE, and Gerry VA7GRB.
7	1	<b>RAC Canada Day Contest and Public Mall Display:</b> Hans VE7BOD, Ernie VA7AOH, Ed VA7ERK, Celia VE7NIA, Ron VE7RLE, Harry VE7HES, Wayne VE7XAD, Bruce VE7IUQ.
7	15	<ul> <li>SPECIAL EVENT STATION. Began three-day Special-Event Station VA7C to commemorate the Centennial of Salmon Arm. Used the SARC Emergency Communications Trailer at Sunwave Centre with dipoles for three days of operation. Very poor conditions, but we were fortunate to contact many of the stronger stations operating in a continent-wide HF contest. Operators and helpers included Ron VE7RLE, AI VE7BOY, Ron VE7CUK, Robin VE7SRH, Ed VA7ERK, Ernie VE7AOH, Wayne VE7XAD, Robin VE7HMN, Roy VE7RDV, Celia VE7NIA, Harry VE7HES, Hans VE7BOD, Bob VA7UF, Eddie VE7ETE, Ian VE7WIZ, Bill VE7WWW from KamloopsThanks, Bill, Phil VE7BPH, and Bruce VE7IUQ.</li> <li>Field Day Support. A letter of thanks to Ted McTaggart of Haney Heritage Park for granting us the use of the reconstructed Queest Mountain Forestry lookout as one of our two operating stations for Field Day. In later years, with the lookout being established as a museum exhibit, the lookout was no longer available for such use.</li> <li>ServicingVE7RNH Repeater - Fly Hills. Batteries -voltage only. New cells one-six Work party consisting of lan VE7WIZ, Ron VE7RLE, Phil VE7BPH, James VA7HF, Mike VA7MK, Doug VE7DNG, and Tim VE7TMQ.</li> </ul>
7		<b>Donation.</b> SARC thanked Emergency Program coordinator Tracy Wynnyk [later VE7TEC] for the program's donation of a TAD M-10 radio ser. # 81713 for use in the club's Echolink Simplex node.
7	17	<b>Donation.</b> SARC thanked Herb VE7WI upon his move from Sorrento to Salmon Arm for his donation of a light 40-foot crank-up tower and rotor. The tower was later incorporated as a permanent attachment to the club's Emergency Communications trailer.
8	1	<b>Renovation.</b> SARC Emergency Trailer. Month-long renovation by now silent key Ed Kean VA7ERK to repair flooring and remove bench seat to establish a 2nd operating station.
8	5	<b>RCMP Musical Ride-Salmon Arm Fair Grounds.</b> Communications service provided by Roy VE7RDV, Harry VE7HES, Wayne VE7XAD, Celia VE7NIA, Hans VE7BOD, and Doug VE7DNG.
8	8	<b>Donation.</b> SARC thanked Maureen Kean and her son Warren Kean VA7RC for donating a total of \$50 towards the cost of a charging device for the Emergency Trailer.
8		<b>RECOGNITION.</b> Ron VE7RLE was presented at a CSRD meeting with a framed certificate for "Outstanding leadership and support for Amateur Radio Emergency Communications and the volunteer organization in the Central Region." [PEP-Kamloops] <b>Servicing. VE7RNH-Fly Hills Repeater.</b> Batteries -voltage only. New cells one-six and <u>Clean-up after break-in to the shack.</u> <b>Police file #2005-6411.</b> Work party included Ernie VE7AOH, Phil VE7BPH, Doug VE7DNG, Ron VE7RLE, Bob VA7UF.

			VE7QMR. Date undetermined. Hans VE7OHR and three members of the Sicamous Quad
			Club made the trip to remove the heavy lead-acid batteries left by Glaciers Communications
2008	8	8++	to return them to Sicamous for authorized disposal.
			Site inspection. VA7AHR. Pre-lift site inspection via quads. Hans VE7OHR,
2008	9	2	Doug VE7DNG.
			Installation. VA7AHR. Install charge controller, install solar panels with pop rivets, set VHF
			UHF deviation levels, modify UHF output capacity. Robin VE7HMN, Doug VE7DNG, Phil
2008	9	14	VA7PB, Mike VA7MK.
			Work Party. VA7AHR. Final Tappen work party. Plywood washers, remove radio
			equipment
			obtain rental truck, load shack, raise shack to check balance, secure batteries
			in shack, final loading and tie down of shack, load tools, prepare radio equip-m
			ent for transport. Herb VE7WI, Mike VE7MIQ, Mike VE7LOG, Phil VE7BPH, Ron VE7RLE,
2008	9	20	James VA7HF, Hans VE7OHR.
			Air Life and Installation. VA7AHR. Air Lift of shack and antenna. FIRST DAY OF
			SERVICE. Air Lift Funding Secured by the Shuswap Emergency Program
			Robin VE7HMN, Phil VE7BPH, Mike VA7MK, Doug VE7DNG, Ian VE7WIZ, Ron VE7RLE,
			Hans VE7OHR, Tom VE7AMM, Technician Ryan Kennedy, Emergency Program
			Coordinator -Cliff Doherty [now VA7CED], CSRD Videographer Don Richmond, CSRD
			Technician Shaun Jones [now VA7STJ], CSRD Technician Brad Timmerman. Bill
			Richardson - pilot, Advantage Helicopters, and CSRD officials Cate Armstrong and Cathy
2008	9	21	Semchuk.
			Propagation. VA7AHR. Propagation check of the repeater by road to beyond Anglemont on
2008	9	28	the North Shore of the lake. Phil VE7BPH, Ron VE7RLE.
			Battery Disposal. VE7QMR. Sicamous Quad Club, including Hans VE7OHR, and Marvin
			Tansley [now VA7DXT] took the depleted Louisiana Pacific batteries down the hill for proper
2008	10	2	disposal at landfill facilities.
			Basic Qualification Course. CSRD boardroom. October 14 - December 16. Instructional
			Materials included the UBC 5th edition manual while we waited for the RAC Study Guide for
			the Basic Exam 6th edition. Visual materials were obtained from Toronto at
			www.emergencyradio.ca The course gave us eight new hams, six of whom obtained Basic
			Honours. New Hams included Terry
			VA7TSG, Cliff VA7CED, Dave VA7HDY, Marvin VA7DXT, Shaun VA7SJT, Tom VA7THM,
			Simon VE7SHG, and Werner VE7GWE. Instructors and examiners
			included Robin VE7HMN, Ian VE7WIZ, Tom VE7AMM, Blane VE7EKN, Celia VE7NIA,
			Wayne VE7XAD, Phil VA7PB, Mike VA7MK, Ron VE7RLE, Eddie VE7ETE, Robin VE7SRH,
2008	10	14	and Rick VA7RRL.
			Exercise Safe Haven. This Shuswap Emergency Social Services exercise used Carlin
			Hall as an ESS Reception Center, using volunteers who normally man the Emergency
			Operations Centre as "mock evacuees" to give them a sense of what goes on in a reception
			centre. In 2009 the hall was set up for real to accommodate evacuees over three extended
			periods during the Notch Hill-Hilliam Mountain fire. In the 2008 exercise, VE7RLE was
2008	10	18	
			Tower Salvage. CKXR Tower Salvage. On short notice, the club agreed to salvage
			unbroken tower sections and guy wire cable from the two A.M. radio station 150-foot towers
			which were felled on November 16. Ron VE7RLE, Doug VE7DNG, Mike VA7MK, Phil
2008	11	30	VA7PB.
			CKXR Tower Salvage-concluded. Approx. 6000-10000 feet of cable were taken to Tappen
			scrapyardtoo heavy for amateur use and about 400 feet of tower
			sections were taken to storage at 2511 Skimiken in Tappen. Ron VE7RLE, Doug VE7DNG,
0000			Robin VE7SRH, Tom VE7AMM, Phil VE7BPH, Mike VE7LOG with transport by Mike's
2008	12		pickup and flat deck trailer.

			Field Day at Salmon Arm Airport, using a tent supplied by Peter Rizzi and our Emergency
	-		Communications Trailer in conjunction with the Shuswap Emergency Program public display
2012	6	22	and bi-annual Airport Appreciation Day.
			Airport Appreciation. Shuswap Emergency Program Display. Field Day. For the
			first time ever, Field Day was held at the airport along with the SEP Display which
			normally occurred in early May at the Piccadilly Mall at the end of Emergency Prepared-
			ness week. This was possible because the Field Day dates and the Airport date co-
			incided. Participating in both: Doug VE7DNG, Robin VE7HMN, Peter VE7RZZ and Tony,
2012	6	20	Tom VE7AMM, Bob VA7UF, Ron VE7RLE, Hans VE7BOD, Bruce VE7IUQ, Celia VE7 NIA, Mike VA7MK.
2012	6	22	
			FLOODING 2012. From this day onwards through to late September, the Shuswap area
			experienced the worst flooding in recent memory, particularly in the Sicamous region.
			Over 1200 dwellings were affected and required inspection. Over 460 residents were re-
			quired to register at ESS Reception Centres. Although local radio amateurs did not have
			to be called in for communications, the following who had taken numerous courses in
			emergency management were tasked throughout the summer to work in the ESS Reception
			Center or the Emergency Operations Centre: Ron VE7RLE, Celia VE7NIA, Terry VA7TSG,
2012	6	22	and David VA7HDY.
2012	7	27	VA7AHR. First servicing in 2012: Bill VE7KDK, Robin VE7HMN, Doug VE7DNG.
2012	8	4	VE7QMR. Servicing: Phil VE7BPH, Hans VE7OHR, Josef.
2012	9	1	Shuswap Mini Hamfest no longer being held due to lack of membership.
			Silent Key: Albert Henry Miller VE7KC: Licenced at 17. Involved in the installation of the
			first Instrument Landing Systems [ILS] at both the Vancouver and Victoria International
			Airports. Radio operator on the Wm. J. Stewart Hydrographic Survey Ship and then with
			the D.O.T. [Nav Canada]. Faithful attendance year after year with wife Margaret VE7DKC at
